Fourth Graders Study Book By Their Teacher

Not many fourth graders get to study from a book written by their very own teacher.

Mrs. Glenn Freeman, the former Ozelle Kiser of Kings Mountain, daughter of the late Mr. and Mrs. Larkin Kiser of Kings Mountain, has done just that.

She has written a book at Wiley Elementary school in Salisbury which is rare because there isn't another one like it anywhere and you can't get one at any price, unless you're a fourth grader at Wiley school.

Entitled, "North Carolina: The Goodliest Land", the book is not little, but big, a mimeographed paperback about the state, aimed at fourth graders who study North Carolina by a teacher who not only knows their language but also knows that there's no such volume in existence now, even if the state department of public instruction says to its teachers, "Teach North Carolina in the fourth grade."

The official textbook, "In all Our States", is aimed at just that—all the states.

"It's a good outline", says Mrs. Freeman, but it doesn't tell you one thing North Carolina has."

When the text was first used, she said fourth grade teachers "did the whole thing" but then junior high teachers complained that when they took the students down to Raleigh, "they didn't know a thing about it."

Her book was published via a mini-grant from the Salisbury city schools to guide the fourth grade study of the state.

ABOUT THIS N' THAT

More than 200 girls from all over the state had their moment in the spotlight September 8th when they were presented at the 46th annual North Carolina Debutante Ball in Raleigh.

Local young woman making her bow and taking her place in the gigantic cartwheel formation was Miss Anne Hunter Plonk, daughter of Mr. and Mrs. John O. Plonk, Jr. and a student at Mary Baldwin college in Staunton, Va.

For the debutantes the completion of the cart-

wheel climaxed a season of parties that began early in the summer and ended with the impressive black and white pageantry, featuring fathers in full dress, white tie and white gloves, standing beside their daughters, elegantly attired in white gowns, until the human cartwheel began to turn.

The first debutante to be presented was Miss Mollie Dillon, ball leader, daughter of Mr. and Mrs. Grover Lee Dillon, Jr. of Raleigh, escorted by her father and ball leader, Henry Jerome Young, Jr.

The 15 assistant leaders followed forming the inner circle of the cartwheel. The remaining debutantes were presented in alphabetical order.

Grandmothers, small brothers and sisters and mothers watch from their special seats in the balcony.

Miss Plonk is granddaughter of Mr. and Mrs. H. R. Neisler and of the late Mr. and Mrs. J. O. Plonk. Miss Plonk's mother, the former Patricia Neisler, was also presented at the state ball when she was a college student at Mary Baldwin.
