

Mounties Play Cats Saturday

BOONE — Pass defense has been one of the bright spots for the Appalachian State University Mountaineers during their first four games of the 1972 season. Despite a disappointing start with one victory in four games, the App's secondary has allowed only 83.5 yards per game through the air.

The test will come Saturday at Charlotte's Memorial Stadium when the Mountaineers take on Davidson College.

The Wildcats have had their problems this season and also sport a 1-3 record. But in recent years they have been known for their explosive passing attack, and despite an improved ground game this year, they still go to the air with great regularity.

The Mountaineers will be without the services of two starters Saturday afternoon. Sophomore fullback Tommy Harris, who rushed for 101 yards against Furman, missed practice Monday because of a leg injury suffered in that game, and linebacker Ken Causey, who leads the team in tackles, suffered a hip injury early in Saturday's 20-17 loss to Furman and will be out for at least a week.

"We were real pleased with the play of Harris and freshman halfback Charlie Haugabrook," said head coach Jim Brakefield. Haugabrook carried five times for 55 yards against Furman. "Fred Snipes, our sophomore defensive tackle, did a fine job in his first start at that position."

The first meeting between Appalachian and Davidson was last season when the Mountaineers took a 35-10 decision over the Wildcats. A 2 p.m. starting time is set for Saturday's game.

which gave the Mounties a first and 10 at the Ironmen 10. Cherryville's 240-pound defensive tackle, Willie Bush, pounced on a Falls fumble at the KM 29 midway of the third period to set up Cherryville's final tally. Rick Hudson scored with 6:07 left in the quarter from 16 yards out and Wylie converted for a 14-12 edge.

Kings Mountain took the Cherryville kickoff and then began to turn the game into the rout it was supposed to have been. The Mounties marched 63 yards for the winning score, Falls getting it on a two-yard sneak with 1:27 left in the third period. An 18-yard run by Byers to the two yard line set up the score. Falls then passed to Byers for a two-point conversion to make it 20-14.

The Mountaineer defense set up KM's next TD drive, stopping Cherryville on downs at the KM 31. Eleven plays later, Myron George took an option pitch from Falls and went 11 yards for the score, making it 26-14 with 4:23 left. A 15-yard roughing the kicker penalty against Cherryville, a 29-yard run by Falls and a 12-yard pass from Falls to Davis were the key plays in the march.

Kings Mountain drove 43 yards following a short Cherryville punt (the only boot of the game) for the final score with 1:45 left. Two consecutive 15 yard penalties gave KM a first and 10 at the Ironmen 14 but three plays later the Mounties were at the 16 with a fourth and 12. Falls then tossed a 16-yard scoring strike to Davis and Bridges converted for the final 33-14 count.

Hannon, Fish Are Honored

BOILING SPRINGS — Two seniors, Woody Fish a linebacker from Canton, N. C. and Ray Hannon, quarterback from Glen, S. C., were named "players of the week" for Coach George Litton's Gardner-Webb Bulldogs.

The two young men were honored for their play in the Bulldog's win over Guilford College Saturday night 10-0. It was the first win of the year for the Bulldogs. The two men are the team co-captains.

Saturday night they will be looking for their second victory when they entertain Georgetown College, of Georgetown, Kentucky. The Bulldogs are favored to win and it would be the first time a G-W grid team has won two in a row since the school entered the senior college ranks three years ago.

Coach Litton said that Hannon and Fish played major roles in the victory for the Bulldogs. It took a field goal and a touchdown, both in the final period, to give the favored Bulldogs the victory.

Defensive Coordinator Richard May said that Fish graded out 71% on defense and did a good job for the night's efforts.

"Woody was by far our best defensive player against Guilford," said May. "He not only was in on many tackles, but he kept the rest of the team plugging away when a real effort was needed."

Guilford was unable to penetrate deeper than the Bulldog 40 yard line in the game. The defense kept them deep in their own territory during the entire game.

Hannon passed well and could

been in the money on two other occasions, capped second place over Ed Spencer of Gastonia, a previous second place winner. Both contestants missed only one game, Maryland-Syracuse. Both picked Maryland but the Big Orange came out on top. Mrs. Williams came closer to the tie-breaker, predicting that 32 points would be scored in the Guilford-Gardner-Webb game. Spencer guessed 35. The total was 10, as the Bulldogs won 10-0. Incidentally, in this week's contest, the tie-breaker game from the week before was not changed. Thus, there will be no tie-breaker. If there is a tie, money will be split.

Busy Month For Rescue Squad

Kings Mountain Rescue Squad answered 106 calls during the month of September, traveling 2,485 miles on trips and standing by 2,172 man hours. In addition, they made 48 rou-

te transport trips to the Kings Mountain hospital, four to Charlotte Memorial, four to Gaston Memorial, four to Cleveland Memorial, three to Shelby-Conalescent Center and one to Raleigh to bring back a patient to Kings Mountain. One trip was made to Charlotte to pick up blood for the hospital, nine service calls were made, four house calls, one search party was formed for a missing child, four calls were for fires, three at football games, three at Crossroads Music Park, two wreck calls answered and were called to the scene of a motorcycle wreck. TAKE CARE WITH BICYCLIST RIDERS

The popularity of bikes today with children and grown-ups is greater than ever. As a motorist, you must show concern when approaching and passing these cyclists to help them stay safe. See and observe how they are performing. Blow your horn if necessary to be sure they know you are behind them. Slow down so that you can stop easily and safely if necessary.

TAILGATING

Driving too close behind the car ahead particularly at high speeds, can be suicidal. A sudden application of the brakes in the car in front leaves little time and room for the tailgater to come safely to a stop. Make it a practice to allow at least one car length between cars for every ten miles of speed. At high speeds and on wet or snow-covered roads, allow more space to stay safe.

IF YOU LIVE ALONE HERE'S A GOOD IDEA

If you live alone, you need to keep in touch with your neighbors, friends and relatives so they know you are alive and well. Use a signal system with your neighbor across the street, such as pulling up the window shade each morning by a certain time. Or phone your relatives or close friend each day. In this way, you can keep them informed that you are alright. By keeping tabs on you, they know you have not met with an accident or illness.
