# A girl can dream, can't she?

This time you're absolutely going to save something out of your paycheck. But, then, you really do need that pantsuit, a new coat and, of course, that perfume Eric likes so much.

Before you know it, the money's gone... and all you've got saved are your dreams.

That's why the Payroll Savings Plan is such a good idea for a single girl. When you join, an amount you specify is set aside from your check and used to buy U.S. Savings Bonds. And, it's all done before you get your check—so you can't help

but save.  
U.S. Savings Bonds. To help you save more than dreams.

Now U.S. Bonds pay 5 1/2% interest when held to maturity of 5 years, 10 months (4% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

### Graves Only Starter Back At Gardner Webb

BOILING SPRINGS — A very inexperienced team will take the court to represent Gardner-Webb College in the basketball wars this season. Coach Eddie Holbrook has only one man back who played regularly last season as the Bulldogs cased out the season fourth in NAIA national tournament.

Only Al Graves, a senior from Cherryville, N. C., returns from the national tournament team with any experience. Graves averaged 9.4 points per game.

The Bulldogs will open their season Saturday night against Pikeville College of Pikeville, Kentucky as a part of "Super Bulldog Day." The day long activities will include a football game matching the Bulldogs of Coach George Litton and Elon College at 2 o'clock and the basketball game at 7:30.

Coach Holbrook has only three seniors. Graves and two men who saw action last year as reserves, Ken Napier, of Elizabethton, Tennessee and Len Dugger, of Hampton, Tennessee. Manzell Spencer, a transfer from Sand Hills Community College, is the lone junior on the squad. The 13 man squad includes four freshmen.

Following the Pikeville game the Bulldogs will face Tennessee Wesleyan next Tuesday night at 7:30 in East Gym.

### Service Aid Is Bell's Time Saver

Time-savers are popular these busy days and Southern Bell customers in the Gastonia area have been receiving free one by mail. Many are finding the new "service aid" item useful. It is a special folder containing two "mini-directories" which can be detached and used for keeping personal lists of telephone numbers. Small and compact, the mini-folders contain space for 24 names, addresses and telephone numbers and easily fit in a purse or wallet.

According to Manager R. B. Moore, over 1,000 customers have taken advantage of an offer included in the mailing piece to receive a free larger Personal Phone Book.

The Personal Phone Book being offered contains an area code map, a special section for emergency numbers, and spaces for 128 listings of frequently called numbers. Mr. Moore says on the average it takes about eight seconds to find a number in the Personal Phone Book, compared to about 22 seconds in the regular telephone directory.

"We hope that our customers find these personal directories useful and a convenient time-saver in writing down and keeping numbers frequently called," emphasized Moore.

They are available free of charge by calling or writing the Gastonia telephone business office.

CRANBERRY LORE  
Cranberries were described by Captain John Smith back in 1614. And the Colonists sent ten barrels of cranberries, plus Indian corn, to King Charles II back in 1677. But today the cranberry industry produces over a 100,000,000 pounds a year.

### Mrs. Moore's Rites Conducted

Funeral services for Mrs. Dovie Barrett Moore were conducted Tuesday at 3 p.m. at Pleasant Hill Baptist Church, Shelby, by the Rev. Ned Buckner and the Rev. Fred McGehee.

Burial was in the church cemetery.

Mrs. Moore, 86, of Rt. 2, Kings Mountain, died Saturday afternoon in Cleveland Memorial hospital.

She was the daughter of the late Mr. and Mrs. William B. Barrett.

She is survived by her husband, Martin Moore; one foster daughter, Mrs. Redie Baldwin of Cherryville; one foster son, Claude Phillips of Kings Mountain; and three sisters, Mrs. Ollie Beatty, Mrs. Marvin Leonard and Mrs. Atley Hamrick, all of Kings Mountain.

### Mrs. Grant Is Charged

A Grover woman was arrested by sheriff's deputies Saturday and charged in a warrant taken out by the Cleveland County Health Department with failure to provide a privy for a home.

Nan Jean Grant was charged with "failure to provide or maintain an approved privy, septic tank or connection to an approved sewer system" for a residence she owns.

The house with the alleged inadequate facilities is occupied by Leroy Watkins and family on Rt. 1, Kings Mountain.

She was placed under \$100 bond pending a court hearing on Nov. 30.

PRICE UP  
Wholesale prices for dressed broilers are expected to average about 26 1/2 cents per pound for the October-November period.

North Carolina State University economists estimate. The price was just over 25 cents during the same period a year ago.
