## Tar Heel Kitchen

By MISS YORK KIKER

Marketing Home Economist

One of the nicest things about having a big roasting turkey is the leftovers which can be as tasty as the first slices. The cooked turkey is ready for many favorite main dishes, however, the cooked turkey must be cared for properly.

After the meal of roast turkey is over, the meat should be wrapped or placed in a covered dish to prevent drying out and loss of flavor. Refrigerate promptly. Remove any stuffing from the turkey cavities, place in a covered bowl, and store separately in a refrigerator.

In addition to being the season for turkey dishes, yams and apples are taste-tasers. The quality of both has been good and the supply plentiful.

The Tar Heel Kitchen would like to share turkey, apple, and yam recipes which have come from friends. They may not be new, but are delicious. Be sure to try Turkey Pastry, Raw Apple Cake, and Sweet Pota Surprise Cake for good eating.

The North Carolina Department of Agriculture, Markets Division, Raleigh, North Carolina, has prepared new recipe leaflets on yams, honey, apples and broilers. If you wish these leaflets, they are free upon request. Be sure to send your complete address.

### TURKEY PASTRY

- 1-4 cup grated Parmesan cheese
- 1 package piecrust mix
- 6 tablespoons butter
- 1-2 cup minced onions
- 1-2 cup coarsely cut celery
- 1-2 cup chopped pecans
- 3 cups coarsely cut cooked turkey or chicken\*
- 1-2 teaspoons caraway seeds
- 1-2 teaspoon salt
- 1-4 pound fresh mushrooms
- 1 cup cheese sauce in jar, or turkey gravy
- 1-4 cup sliced pimientos (optional).

Add cheese to piecrust mix. Make pastry as label direct. Form into ball; wrap in wax paper; refrigerate. Start heating oven to 425 degrees F. Meanwhile, in 1-4 cup hot butter in skillet, saute onions, celery and pecans until golden. Add turkey, caraway seeds, salt. Cool slightly. On floured surface, roll party to make 13 inches square. Transfer to large greased cookie sheet. Place turkey filling on pastry, covering half, from corner to corner. Turn opposite corner over to cover making triangle. Seal edges, using tines of fork. Bake 25 to 30 minutes, or until browned. Meanwhile, in two tablespoons hot butter, saute whole mushrooms until tender. To hot cheese sauce, add pimiento. Serve pastry garnished with cheese sauce and mushrooms. Makes 8 servings.

### RAW APPLE CAKE

- 1 1/2 cups vegetable cooking oil
- 2 cups sugar
- 3 cups flour
- 1 teaspoon salt
- 1 teaspoon soda
- 1 teaspoon cinnamon
- 3 eggs
- 1 teaspoon vanilla
- 3 cups raw cooking apples (diced).
- 1 cup pecans or walnuts

Cream oil and sugar well. Sift dry ingredients in separate bowl. Add dry ingredients and eggs alternately. Beat thoroughly. Begin and end with dry ingredients. Add vanilla. Blend thoroughly. Stir in apples and nuts. Pour into greased and floured tube pan. Bake in over (300 degrees F.) for one hour and 15 minutes. Sprinkle with confectioners' sugar and allow to cool before serving.

### SWEET POTATO SURPRISE CAKE

- 1 1/2 cups cooking oil
- 2 cups sugar
- 4 eggs, separated
- 4 tablespoons hot water
- 2 1/2 cups sifted cake flour
- 3 teaspoons baking powder
- 1-4 teaspoon salt
- 1 teaspoon ground cinnamon
- 1 teaspoon ground nutmeg
- 1 1/2 cups grated raw sweet potatoes
- 1 cup chopped nuts
- 1 teaspoon vanilla

Combine cooking oil and sugar and beat until smooth. Add egg yolks and beat well. Add hot water, then dry ingredients which have been sifted together. Stir in potatoes, nuts and vanilla and beat well. Beat egg whites until stiff and fold into mixture. Bake in three greased 8-inch ayer cake pans at 350 degrees F. for 25 to 30 minutes. Cool layers and frost.

**FROSTING**

- 1 large can evaporated milk
- 1 cup sugar
- 1 stick butter
- 3 egg yolks
- 1 teaspoon vanilla
- 1 1/2 cups flaked coconut

Combine milk, sugar, butter, egg yolks, and vanilla in sauce pan. Cook over medium heat about 12 minutes, stirring constantly until mixture thickens. Remove from heat and add coconut. Beat until cook and spreading consistency.
