Identification of the real estate, the name of the person listing same and the amount of the lien is shown below. Reference is made to the office of Register of Deeds of Cleveland County and in the office of the tax supervisor of this city for more particular description of said real estate. The amount of the lien will be increased by interests and costs and the omission of interest and costs from the amounts advertised will not constitute a waiver of the City of Kings Mountain's claims for these items.
