I felt like the man who has discovered a "hatch" of Jolly Green Giant Niblets and matched tal. them successfully right out of the

But I can only imagine what led a fellow named Mike Drost of Whittaker Falls, West Virginia, to use a small field mouse as bait to land a 17-and-a-halfpound brown trout in coal mining country recently.

Surely he knows something beyond the grasp of most of us.

MORE ABOUT TURNER

a welcomed addition to the Bulldog squad. The addition of an experienced

guard to replace Napier will give the Bulldogs experienced men in all positions. "Doug is a versatile guard that

can play either the wing or the point," commented Holbrook, "He an outstanding defensive guard and he has that all important game experience. Doug is an aggressive hard nosed competitor that I feel will give us more strength defensively. Because of his size he will be able to match up with the bigger guards of opnents

Turner averaged 12 points per ame on a club that had all five starters averaging in double figares. He also showed his defens ive ability by grabbing 180 steals r loose balls during this past

In high school he was selected the All-Catholic League, one f the strongest leagues in the Columbus, Chio area.

At Olney Central he demonstrated his fine outside shooting ability and that he was a very capatie ball handler and passer

Turner was coached at Olney Central College by Gene Duke, former North Carolinian, who did scouting work for the 1957 national champions at the Universof North Carolina and coached for four years at Aycock High School in Henderson, N. C. His clubs have carried the trademark of poise and discipline.

We feel that Doug is the type of young man that will make an outstanding contribution to Bulldog Athletics," continued Holbrook. "He is a very dedicated and disciplined young man. He is an aggressive competitor but he is a quality student with a B average."

7-11 Robbed Of \$75 Cash

Kings Mountain police reportedly have some suspects in last Thursday's \$75 armed robbery at the Seven-Eleven store on Phifer According to police, two black

males entered the store about 11:20 p.m. Thursday and took the cash drawer containing \$75. Lamar Paysour was the employee in charge of the store at the time Paysour described one of the robbers as about four feet eleven, wearing dark trousers and a stocking over his head. Paysour
