OUT WASTE

But that wasn't enough. She went back to the store and bought enough fabric to make her husband a pair of pants to match the jacket.

"If I can make a jacket," she told Ann Boho, assistant home sistant home economics extension could waste \$3,000 a year by feeding only 1 per cent too much

of each cutting. Now they re \$32.3 billion. **ALLERGENS ARE AN** AIRBORNE MENACE For many people with allergies, just the thought of the outdoors can bring on a feeling of dread. Airborne pollen can mean hours of suffering. To reduce exposure to allergens here are a few helpful hints. Humid weather and evenings are usually a more comfortable time as a great many plants discharge their pollen in the morning and on dry days. Avoid wash that is hung outside as damp material will trap pollens. Outside pets will often carry pollen in their coats. If, in spite of all precautions, an allergic reaction occurs, remember that there are numerous medicines available that can offer YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and THE CITY'S MODERN STORE One Hour
