James Stewart Hatley, Jr., 23, of 414 York road, was charged Saturday with possession after almost 20 pounds of a substance believed to be marijuana — and if it proves to be — will be the largest haul of marijuana ever confiscated in Cleveland County.

Sheriff's Deputy Wilbur Benton, acting on a tip, said he went to a field of high weeds in a wooded area off a private dirt road in the Stony Point section north of Shelby shortly after 4 p.m. Saturday and found 20 or 21 bags of what "looked to be marijuana."

Trial date for Hatley, arrested after a four-hour chase on foot and by car, is set for July 31 in 27th Judicial District Court in Shelby. He is free on \$5,000 bond on the charge of possession of marijuana with intent to distribute.

The substance was sent to the State Bureau of Investigation lab in Raleigh.
