

To City Commissioners

# Beautification Study, Projects Are Proposed

Monday night Kenneth Bell, a member of the Crawford Murphy architectural firm of Shelby, presented a proposed plan for action by the city's beautification commission.

Bell told the board the plan includes a guideline for the commission's use and a method of keeping a written record of projects and progress.

"The second part of the manual lists a series of projects for the commission to undertake during the next three to four years," he said. The projects include not only beautification, but studies to prepare the commission for future work, landscaping analysis, which is a general overview of existing problems, and a pedestrian and cyclist

circulation system." Bell said in all there are about 16 projects included in the study. One of these, he said, includes planting a certain type of tree along the Southern Railroad right of way. He said the railroad officials have agreed to allow this work to be done.

The architect said the railroad officials were "impressed" with the amount of work included in the study and how much effort had been expended to ensure the railroad company rights are not violated.

Bell, accompanied by Mrs. George Houser and Mrs. J. E. Herndon, Jr., co-chairpersons of the commission, told the board copies of the manual would be made and presented to commissioners for approval or modification at a future meeting.

In other action, the board approved entering into contract with the N. C. Department of Natural and Economic Resources to provide planning assistance to solve local planning problems.

Mayor Moss said this includes a state grant of \$5,000, with the city's share totaling \$7,000, which is to be paid out of Community Development Block Grant funds.

The contract is for a three-phase program; community facilities plan, housing assistance plan and a land development plan.

—Awarded a contract for approximately 1,000 feet of fencing to be installed at the leased depot property to Allison Fence Co. of Charlotte. The Allison bid was \$7,993. The project costs are covered under the Community Development grant.

Received a copy of proposed rules and regula-

tions for the Kings Mountain Fire Department from Chief Gene Tignor. The proposal will be placed on the next regular meeting agenda for action.

—Received the title to a 1980 model LeFrance Fire Truck from Fireman Charles Peterson. This truck was the first piece of equipment purchased by the KM fire department and was sold in 1967 and re-

purchased in 1975 to be placed in the historical fire museum. The cost was \$1,500 and the money was raised by firemen, junior firemen and citizens.

—Adopted a new set of minimum standards for police department applicants drawn and submitted by Police Chief Earl Lloyd.

—Approved a petition request from 13 landowners on Sipes St. from

Goforth to Edgemont St. for curbing improvements.

—Authorized advertising for bids on two half-ton pickup trucks for use by the street and electrical departments.

—Authorized bid advertisements for a vibrating roller for use in pavement patching for the street department.

—Authorized ap-

pointment of a traffic flow committee consisting of three commissioners and four businessmen in the community.

Authorized appointment of the entire city board to serve as an inventory and properties committee. The group will update data pertaining to properties and equipment owned by the city.

## Moore Appointed To State Legion Post

Rick Moore, Commander of Post 155 of the American Legion, has been appointed a Sergeant-at-Arms for N. C. Department Commander J. B. Trexler of Salisbury for the coming year.

Commander Moore is

RICK MOORE  
also serving this year as District 23 Vice Commander.

Commander Moore and Post Adjutant Joe H. McDaniel, Jr. will represent Post 155 at the National American Legion Convention Aug. 20-27 in Seattle, Washington.

A native of Kings Mountain, Moore is son of Cleve Moore and the late Mrs. Moore. His wife, Jean, is a member of the nursing staff of Hendricks-Durham-Lee Clinic and they and their family reside in the Bethlehem community. He is employed by Foote Mineral Company.

## Thomas Is Crossroads Newcomer

Crossroads Music Park will spotlight Whit Thomas, a newcomer to country music, at a big country music festival Sept. 26 which will feature the world-famous Wilburn Brothers, Teddy and Doyle, Mel Street, Paul White and Band, Keith and Jackie Allison and The Outcasts.

Elaine and Tom Brooks signed up Thomas, age 22, in Charlotte Aug. 10 when Paul White introduced the young singer from the stage of New Nashville Scene of which White is a partner and a recording artist on the Americountry label.

The Kings Mountain Brooks, always excited about new talent, said Crossroads will roll out the welcome mat to him during what they are advertising as their biggest country music show this year on Sept. 26.

Thomas is single, a native of Aiken, S. C.

ELECT **HELEN S. CUNNINGHAM** DEMOCRAT  
DISTRICT COURT JUDGE  
27th JUDICIAL DISTRICT

The 27th Judicial District has established a special court to hear juvenile cases. This meets a real need in the judicial system. Juveniles and their family members who come before the court need a judge with experience, concern and interest to hear them. Helen S. Cunningham is that person.

23 years experience Juvenile Court Work
