Pledges \$10,000

Pledges to the Piedmont Council's "Third Century" Scout Camp Development Fund Drive have been boosted by a \$10,000 commitment from the Board of Directors of Goodwill, Inc. of Gastonia.

Total gifts and pledges to purchase a new 1,045 acre reservation have now reached \$1,988,384.06 or 97 percent of the minimum campaign goal.

Dr. Patrick Gallagher, Administrative Vice President, in announcing the gift said, "The Board of Directors have approved the investment, but it is really made on behalf of everyone at Goodwill... the officers, and each and every employe."

"Many of our people are actively involved in the Scouting Program. Some are adult volunteers, who render a great public

service, while many others are parents of Scouts. We're all pleased at being a part of providing anew reservation for the Piedmont Council. Our support will provide added incentives for us, and others to broaden our involvement in a service that means so much to the youth of our area.

The Capital Campaign for funds to purchase land and build a new camp for the eleven county Piedmont Council, Boy Scouts of America, expects to achieve its minimum goal of \$1,988,000 by year-end.

Campaign General Chairman, Leonard Moretz said that solicitations have been curtailed during local United Fund Drives, but they will resume efforts during the period of time following United Fund Drives and December 31.

Film On Corrie Ten Boom Set For David Baptist

CORRIE BOOM

"Corrie," a behind the scenes look during the filming of "The Hiding Place," will be shown at two area churches on November 21.

The full-length color film will be shown at 7 p. m. at David Baptist Church, Hwy. 74, across from Bethware School and at 7:30 p. m. at First Baptist Church, 605 W. King St.

"The Hiding Place," a true story filmed in Holland and other European locations, is based on the experiences of Corrie ten Boom, who, with her

father, sister, and brother, provided refuge for countless Jewish families. A secret room was constructed in their home as a hiding place for use during Gestapo raids. The ten Boom's activities were discovered, and they were sent to prisons and concentration camps.

According to Kenneth Bliss, Director of Distribution for World Wide Pictures, "The Hiding Place" has been extremely well-received, both by audiences and film critics. "Corrie" was produced to

give people who have seen "The Hiding Place" or read her many best-selling books an opportunity to hear her share many of her memories about her life in Holland, her family, and her lifetime of service to others."

Bliss added that the film "offers a great lesson in the perseverance of a personal faith in a very dark and trying period of world history. Corrie ten Boom, now in her eighties, has a tremendous vitality, a deep spiritual commitment, and a profound

love for her fellow man. We believe we have succeeded in transmitting a part of her zest, personality, and source of strength through this film."

Bliss noted that the film includes "interesting sidelights on the experiences of the cast and crew during the filming of "The Hiding Place."

The Rev. L. M. Schuman and the Rev. Clyde Bearden, pastors at David Baptist and First Baptist, respectively, said the show is free and the public is invited.
