Good Morning, Subscriber...

Good morning, subscriber. This is the first edition of your new twice-weekly Mirror-Herald. This week the second edition will arrive on Wednesday morning due to the holiday closing schedule at the post office for Thanksgiving.

Beginning next week The Mirror-Herald will be in the mails and on the street at the regular Tuesday and Thursday dates.

Publishing two editions each week, when the business and editorial offices are 25-miles from the printing facilities, poses a few problems. For this reason new deadlines for advertisers and editorial matter contributors have been set.

For the Tuesday edition, news deadline is 10:30 a. m. Mondays. For advertising the deadline is 3:30 p. m. Friday. For the Thursday edition the news deadline is 10:30 a. m. Wednesday. For ads, 3:30 p. m. Tuesday.

Classified advertising will be published in both the Tuesday and Thursday editions. All classifieds are payable in advance. If our business office must bill for classifieds a service charge will be added to the ad rate. The rate is \$1.50 for a minimum of 20 words. Each word over 20 is eight cents.

The advertising department has also worked out a special rate for display advertisers who consider

running the same ad with out copy revisions in two consecutive issues. The first insertion will be at the advertiser's earned rate and the second run will be at a bonus rate. This special rate applies to Tuesday and Thursday or Thursday and Tuesday publications.

Current subscribers will receive both editions each week without additional cost. The new subscription rate is \$8.50 per year and \$4.25 for six months inside North Carolina. The out-of-state subscription rate for one year is \$9.50 and for six months, \$5. Nine-month student subscription rate is \$6.24 in or out of the state.

Swine Flu Shots To Be Given Here

Tomorrow the Cleveland County Health Department public health nurses, with the assistance of Dr. Joe Lee of Kings Mountain, will be at the community center to give free Swine Flu vaccinations.

Kings Mountians may receive their shots between 9 a. m. and 1 p. m. in the health department offices on the lower level of the community center.

Two types of vaccination are scheduled Tuesday. First, for persons in good health and between the ages of 18 and 59, there is the Swine Flu vaccination.

The second type is a combination of Swine Flu and A Victoria Flu. These inoculations are for persons who suffer chronic health problems or who are 60-years of age and older.

Health department officials state inoculation against influenza is very important because everyone is subject to contracting the disease.

Health officials state that the strains of flu alter from one season to the next and immunity to the type of virus a person has developed during the year may not be effective at fighting off the altered strain the next year.

The health department gives the flu vaccinations five days each week, from 8:30 a. m. until 4:45 p. m., at the department, 315 Grover St., Shelby.

KM Students Get Holiday

Kings Mountain district pupils will get a long weekend for Thanksgiving holidays.

Classes will suspend on Wednesday, resuming on Monday morning.

KM Thanksgiving Program Is Slated

A community Thanksgiving Celebration will be held Wed., Nov. 24, at 7:30 p. m. at Resurrection Lutheran Church.

This annual union Thanksgiving service is sponsored by the Kings Mountain Ministerial Association. The Rev. Eugene Land, pastor of Second Baptist Church, will bring the message, "The Magnificent Minority."

Liturgists for this service will be the Rev. Marvin Greenway, the Rev. A. Glenn Boland, the Rev. George Sherrill, the Rev. Frank Shirley, and William McDaniel, recently elected moderator of Kings Mountain Baptist Association.

Trumpeters, Rodney Deaton, Mark Sanders, and Robert Swofford, will accompany the choir and organ for the singing of the processional hymn. Mrs. Aubrey S. Mauney will be the organist.

Following this Thanksgiving Celebration the Lutheran Church Women of Resurrection Church invite all worshippers to Fellowship Hall for refreshments and fellowship.

Dr. Charles Edwards, chairman of the committee that planned this service, invites "all citizens of Kings Mountain to come together to offer praise and thanksgiving to Almighty God for His continued blessings to us as individuals, as a community, and as a nation."

Wanted: Info On Hitch-Hiker

Wanted: Motorists who may have picked up a hitch-hiker on Sun., Oct. 3, after 9 p. m., traveling between Kings Mountain and Shelby, call Sgt. Richard Reynolds, detective with the Kings Mountain Police Department, 739-3636.

Kings Mountain Police Department, continuing investigation into the October 3 murder of Rosemary Knauer, Cleveland County fair worker, hope that area citizens can provide them with "more leads" in the slaying.

Sgt. Reynolds reminds that the Fair closed early on that Sunday night, at 6:30 p. m., and speculates that the killer may have been on foot and was given transportation, either from the Shelby area to Kings Mountain Inn or from Kings Mountain to Shelby that evening.

"We request anyone who picked up a thumbing passenger or passengers anywhere in this area to call the police department with this information," said Reynolds.

KM Firemen Asking For Help In Toys For Tots Campaign

Kings Mountain Firefighters are again asking for help in their annual Toys For Tots campaign.

Fireman Frank Burns said the calls for toys pickups have not been as many as last year at this point. However, the firemen do have about 15 bicycles on hand for repairing and painting.

Over \$56,600 Pledged UF Surpasses Goal

The Kings Mountain United Fund for 1977 has pledged totaling \$56,606.73 and the local drive is well on its way toward earning the Jefferson Standard Award for the second consecutive year.

The 1977 goal was set at \$39,000 and to date has exceeded that goal by \$17,606.73. That final total, according to Larry Wood, campaign chairman, might go even higher.

Pete Auerbach, director of planning for North Carolina United Way, Inc., told volunteers at the

awards banquet here last Thursday "you have done a magnificent job and have every reason to be proud of what you have accomplished."

Auerbach said last year Kings Mountain earned the Jefferson Standard Award For Outstanding United Achievement for several reasons, including exceeding the set goal by so great an amount and totals raised compared to population.

"This year you have stiff competition from Salisbury," Auerbach said. "But at this point it doesn't appear you have much competition from neighboring communities and counties."

Last year Kings Mountain also earned an award for topping all competition in its classification.

The community will not actually know who has won the large trophy for the 1977 campaign until late February of 1977. The winner will be announced in Greensboro.

At last Thursday's banquet at KM Junior High Larry Wood called on campaign division chairmen to award plaques and certificates to workers for outstanding work.

Awards were presented to Ron

Osborne, chairman of the industrial division. This division had a goal of \$24,000, but as of 5 p. m. Thursday pledges totaled \$41,645.82 with still other industries not heard from.

Osborne presented awards to the industrial giving leaders, which included Armtex, Mauney Hosiery, Duplex International, Dickey Mills and Spectrum Textured Fibers. The latter was the leader for the second consecutive year. Certificates went to Charles F. Mauney, Carl DeVane and Betty Allen, who represented Mauney Hosiery, Duplex and Spectrum.

Awards were also presented to Pat Cheshire, chairman of the commercial division, June Lee, chairperson of the professional division, and Grace Wolfe for the city employees division. Cheshire presented certificates of appreciation to Mrs. Harry Page for Neisler Brothers and to Mrs. Polly Phifer.

DeVane presented plaques to both Wood and 1977 UF Campaign President Lee A. McIntyre.

Campaign results reported Thursday are as follows:

Advance Gifts - Larry Wood, chairman: Goal \$2,000 - received \$1,825; Commercial - Pat Cheshire: Goal \$5,500 - received \$5,763.17; Correspondence - Becky Scism: Goal \$1,000 - received \$490; Industrial - Ron Osborne: Goal \$24,000 - received \$41,645.82; Ministerial - Frank Shirley: Goal \$750 - received \$420; Professional June Lee: Goal \$1,500 - received \$1,515; Schools - Richard Green: Goal \$3,000 - received \$2,28.50; Post Office Fred Weaver: Goal \$250 - received \$152; City Employees - Grace Wolfe: Goal \$500 - received \$1,869.05 and Hospital - John Cheshire: Goal \$500 - received \$608.19.

The agencies benefiting from the Kings Mountain United Fund campaign include the Ministerial Association Helping Hand, Piedmont Council Boy Scouts, Pioneer Council Girl Scouts, American Red Cross, Kings Mountain High Band, Kings Mountain Rescue Squad, Kings Mountain High Chorus, Salvation Army, Cleveland County Association For Retarded Children, Cleveland County Community Organization For Drug Abuse Prevention (CODAP), and N. C. Community Services.

Officers and directors elected for the 1978 United Fund campaign are Larry Wood - president; Ron Osborne and Pat Cheshire - campaign chairmen; and Becky Scism - secretary-treasurer. Directors - Joe Cloninger, Jerry Ledford, Joe Robillard and Grace Wolfe.
