

### College Sets VIP Weekend

BOILING SPRINGS, N. C. — Friday Jan. 21 will begin an action-packed V. I. P. weekend on Gardner-Webb College Campus.

High school juniors and seniors and also junior college transfers will be visiting Gardner-Webb as V. I. P.'s, or Very Important Prospects. As guests of the college they will be introduced to educational programs, faculty and students.

"We are looking forward to having prospective college students to come and visit us. We want them to take a good solid look at who we are and what we stand for, so they may determine for themselves if we are the school for them," said Ray Pople, director of counseling services and student activities.

Students will be housed in college dormitories and may attend on-campus athletic events and activities. They will be given a tour of the campus and will visit classrooms where they may discuss their careers with faculty members and administrators.

"We attempt to give all the V. I. P.'s an accurate picture of college life at the Webb through participation in typical campus activities," Pople said.

Highlighting the V. I. P. weekend will be the exciting appearance of "Starbuck," the Southern vocal group who hit the charts with "Moonlight Feels Right" and "I Got To Know." The seven-man band will perform in Boat Gymnasium.

Gardner-Webb's Bulldog's will also share in the limelight of V. I. P. weekend when they play Liberty Baptist College, in a rousing basketball game Saturday night at 7:30.

Another V. I. P. weekend has been planned for April 1-2. If visiting students cannot arrive on campus Friday, they are welcomed to come Saturday. Additional information may be obtained by contacting the Gardner-Webb Admissions Office.
