Blazer Band Is Superior

By CINDIE SHORT
KMSHS Correspondent

The Kings Mountain Senior High Blazer Band recently received a Superior rating in Grade Six music.

Grade Six is a very complicated music theme that only a few bands in North Carolina have managed to master for a Superior rating.

Following the state contest, the Blazer High and the Junior High bands entertained the students with a concert in Barnes Auditorium.

Tuesday the student-parent orientation day was held at KMSHS, in Barnes Auditorium.

Orientation Day gives parents a better understanding of the local school and its functions and how their sons and daughters function within the educational community.

Parents also met the members of the faculty for more indepth discussions on the school.

During this week the annual staff has sold pictures and old annuals during the lunch periods to raise money for this year's annual production.

Sponsors of this project are Sheila Sisk and Joel Rountree.

Students are now registering to try out for cheer-leader positions during the 1977-78 school year. At the same time other students are registering to run for Student Council offices.

An interclub council meeting was held Tuesday to plan activities.

The council is made up of presidents from all of the other school organizations.

One of their goal is to have each club perform a skit before the end of school.
