

# Mauney Celebrates National Library Week

Mauney Memorial Library will be celebrating National Library Week April 17 through the 23rd with many enlightening and entertaining new

books. You are welcome to come browse and study in the Library's quiet elegance. You are also encouraged to borrow books that will add to your

life's enrichment. On the shelves of the library, you will find 12 different new Social Security pamphlets to suit your particular needs.

These were donated by the Gastonia Office and are for you to take home if you choose. Mr. R. P. Holshouser of that office has offered his services to

any club which might like to have him talk and answer questions. Call him at 887-0741.
