**THE RHEAS RELAX AFTER DECORATING** - Jackie and Sandi Rhea and their daughter, Tiffany, relax after a workday at Mrs. Rhea's new beauty shop which the couple designed and furnished in a "comfortable, homey look," using some ideas from their home at Archdale Farms which have been family hobbies.

## A Beauty Shop With Country Style

Sandi and Jackie Rhea are incorporating a country style look in the new business they have constructed on Shelby Road which Mrs. Rhea will operate as Scissors and Styles by Sandi, a beauty shop.

Natural shingles on the front and red sycamore trim enhance the decor which will be complemented with some antique pieces, an antique desk and love seat which have been in the family for years.

"Jackie and I decided to continue the homey look which we have in our own house on Archdale Farms and in the shop, I have operated in our home for several years," said Mrs. Rhea.

All the family are pitching in to make the new shop comfortable,

including the two Rhea children, Trent, age nine, and Tiffany, age six, contributing some of their crafts which have been family projects, and some needlework.

One of the Rhea family's favorite craft is corn shucks and they have created numerous Christmas decorations, including beautiful manger scenes using corn shucks. They and their children have also made all the decorations for their family Christmas tree and ornaments each year from crafts they have done.

Mr. Rhea owns and operates Jackie's Appliances and Refrigeration and also manages Archdale Stables.

Both Sandi and Jackie Rhea are graduates of Kings Mountain High School and Sandi completed her beauty training at Southeastern Schools in Charlotte. A licensed beauty operator for 12 years, she is daughter of Mr. and Mrs. Percy Lynn of Kings Mountain. Jackie Rhea is son of Mr. and Mrs. Clyde Rhea of Grover. They are active in Grover First Baptist Church.

Mrs. Rhea says she is excited about opening of her new business in Kings Mountain and also looks forward to traveling with Zotos, international beauty company, beginning in the Fall on a hair surgeon's team conducting weekend seminars. Sandi will lead her first seminar in Austin, Texas in September and teach classes in "five-form" hair cuts, styles and design.

A bright yellow interior is featured in the new building of which Max Putnam is contractor. There is a reception area, preparation area, dryer area, and work and styling area.

Miss Teresa Putnam, whose wedding to Warren Falls takes place July 30th, was honored June 27th at a bridal drop-in at the home of Mrs. Billy Putnam.

Entertaining with Mrs. Putnam were Mrs. Larry Boyes, Mrs. Homer Jones, Mrs. Sidney Hicks, Mrs. Norman Webster, and Mrs. Frank Hamrick.
