

TOP BANK OFFICE — Charles E. Hamilton, vice president and city executive of First Citizens Bank, Kings Mountain, receives congratulations from Lewis R. Holding (left), bank president, for

the KM office being named most outstanding during 1976. J. S. Meares, senior vice president and regional supervisor, is at right.

## KM Bank Selected

The Kings Mountain Office of First-Citizens Bank & Trust Company has been presented the President's Plaque as the outstanding office in the bank's statewide system for 1976.

Presentation of the award was made by Lewis R. Holding, president of First-Citizens at the board of directors

meeting held in Raleigh on Monday.

Charles E. Hamilton III, vice president and city executive of First-Citizens in Kings Mountain, accepted the honor on behalf of the officers and staff of the local office.

The President's Plaque is the highest honor a First-Citizens office can receive. In

making the presentation, Holding cited the Kings Mountain Office for substantial increases in deposits, loans and profitability. The bank executive also credited the bank with over-all excellence in the areas of personnel development, operations and business development.

To win the award, the Kings Mountain office was judged superior in performance when compared with the other 225 offices of First Citizens Bank throughout North Carolina.

The award was

established in 1950 and is to be presented annually for 100 years, signifying a century of service. For the next 12 months the large walnut and bronze plaque will remain in the local office. A small replica will remain permanently in the bank.

A special presentation is planned for the staff of the KM office, at which time the individual President's Club emblems will be presented to the employees in recognition of their contributions for the outstanding accomplishment attained by the office.

### Chamber Of Commerce

### Joins Health Salute

Marvin Teer, president of the Kings Mountain Chamber of Commerce, today announced the local Chamber will join 18 other area chambers of commerce from North and South Carolina in sponsoring a "Salute to Health Services" luncheon Mon., Nov. 14, at 12:30 p. m. in the Charlotte Civic Center.

Teer said the purpose of the event is to "acknowledge the quality of health care services available to our citizens and to honor those who are involved daily in the delivery of those services."

Edward M. O'Herron, former Eckerd's Drug Company executive, in serving as chairman of the event. He also announced today that the luncheon's principal speaker will be Alex McMahon, president of the American Hospital Association.

"We believe most people involved in the delivery of health care services will want to hear Alex McMahon and participate in this first-ever salute," said O'Herron. "For that reason, we're announcing the event well in advance so that personal calendars can be marked early."

The November 14 "Salute to Health Services" is similar in concept to the "Salute to Textiles," held last March 22 in Charlotte honoring 223 representatives from the nation's leading textile firms. The previous event was also co-sponsored by the 19 area chambers of commerce.

Tickets for the Salute are \$15 per person and reservations may be made by contacting the Kings Mountain Chamber, Cleveland Ave., in person, or by phone at 739-5051.
