

Traffic Signals To Be Erected On West Gold

Traffic signals will be erected at three W. Gold St. intersections in the near future, following action by the commissioners Monday night.

After hearing a list of recommendations from Commissioner Fred Wright, chairman of the city's traffic flow committee, gathered during a meeting with Gold St. residents last week, the board approved the signals and other improvements.

Wright chaired the meeting held at city hall Tues., Sept. 20, at which

more than 20 W. Gold St. residents appeared. The citizens had earlier petitioned the board for action to reduce the speeding on W. Gold St.

It was suggested that school bus traffic and vehicles used in the school drivers education program be banned from the street, but the board took no action on those items.

The board approval Monday also included barring truck (over one-and-a-half-tons) traffic from W. Gold from Cansler to Phifer Rd. and to erect proper

signage. No through truck traffic has always been prohibited on W. Gold St., but it was pointed out that "the law has not been enforced."

Speed limit signs (25 mph) will also be erected at regular intervals on both sides of the street and parking will be prohibited on the south side of W. Gold St. for the entire length of the street.

The traffic signals will be erected at the intersections of Waterson, Cansler and Sims Sts. and W. Gold St.

Another proposal, realignment of center lines on S. Cansler St. to allow for a turning lane, was tabled for further study.

In other board action the commissioners awarded a contract to Bryant Electrical Supply of Gastonia for pole line hardware and transformers for a total of \$48,050.36. The action was taken on recommendation from Southeastern Consultant Engineers.

The equipment will be used to run 15KV electrical lines into the Southwood and Northwood Subdivisions to upgrade the power service in those areas.

— Tabled a request

for rezoning 102 N. Dilling St. from NB to R-8 following a protest petition presented by Jim Trammell. Trammell said his petition contained the names of "95 percent of the surrounding property owners" and all were against the rezoning request.

The N. Dilling St. property is owned by W. James Carpenter, who claims his property was rezoned from R-8 to NB several years ago without his knowledge. Trammell, speaking against the request during Monday night's public hearing, said to honor the request would be to prohibit growth and expansion of business in that area.

— In other rezoning public hearings, the board approved the requests of Mrs. J. M. Rhea and Mr. and Mrs. Roger Guinn. Mrs. Rhea's property is on Hwy. 74 West and is to be used as a location for Joy's Craft Shop. The request was to rezone from R-20 to NB. The Guinn property is to be the site of single and multi-family residences. The request was to rezone from R-10 to R-8.

— Approved readvertising for bids for acoustical ceiling material, carpet and tile

for the Citizens Service Center.

— Authorized advertisement for bids for sewer line, pump station and force main for city sewer system, which will transfer waste from McGill to Pilot Creek Plant.

— Authorized informal bidding for a base station for the KM

Fire Department.

— Accepted a petition for sidewalks on W. Gold St. from Juniper St. to Phifer Rd.

— Authorized W. K. Dickson to complete final plans and bid advertise for a 2 million gallon storage tank and lines in the Cleveland Ave. area.

— Approved city codes department coordinating with KM Redevelopment Commission on utilization plan for building adjacent to city hall. The building now contains city equipment in storage, but the equipment is to be removed and the building demolished by the redevelopment commission.

— Authorized the mayor to appoint Commissioner Norman King, James Childers and Bill Grissom to a committee to begin planning the use and design of the 11-acre greenway in the Cansler St. project area. The committee will later be expanded to include private citizens to help draw a master plan for the greenway.

PP&K Is Saturday

Local youngsters who have not yet signed up for the local punt, pass and kick competition have until Friday to do so.

PP&K competition for youngsters eight through 13 will be held Saturday at 2 p. m. at John Gamble Stadium. It is being co-sponsored by Wade Ford and the David Lawing Sunday School Class of Macedonia Baptist Church.

Youngsters may sign up through Friday at Wade Ford. You must be accompanied by a parent or guardian.

PP&K is in its 17th year of competition and has attracted over 14 million youngsters nationwide.

Youngsters begin in local competition and advance through zone,

area and district competition before the national finals, which are annually held at halftime of the Super Bowl game.

Trophies go to the winner in each age division and the ones to be awarded here Saturday are now on display in the showroom of Wade Ford.

Scoring is based on distance and accuracy with one point added for every foot the ball is punted, passed, or kicked, and one point subtracted for every foot it lands off the center line.

"GET TOGETHER"

Get together for an evening of fun with friends at RiverBend! Really great food — the best in prime rib, steaks and fresh seafood, just to mention a few. And while you're dining, you can actually "feel" the congenial atmosphere. Set-ups are available... and super live weekend entertainment for your dining and dancing pleasure. One dollar cover per person Friday and Saturday only.

Hey Kids! Color Popcorn And Win Circus Ticket

Hoxie's Great American circus is coming to Kings Mountain Wed., Oct. 12 for two shows 6 and 8:30 p. m.

The big top will be erected on the Nation Chevrolet property on York Rd. The circus is being sponsored by the Kings Mountain Optimist Club.

Optimists and the Mirror-Herald are offering young KMers, grades Kindergarten through third, a chance to win free tickets to the circus. It's simple. Just color Popcorn, The Hoxie Clown, and enter the coloring contest.

A panel of judges will select the best color rendering of Popcorn and award one free ticket to the winner in each kindergarten, first, second and third grades in the Kings Mountain District Schools.

Fill out the entry form located below the drawing of Popcorn and return both to the Mirror-Herald, P. O. Drawer 752, Kings Mountain, N. C., 28086, by Wed., Oct. 5, or turn in your color rendering and entry form to Optimist Club members at the Youth Football game at Gamble Stadium on Wed., Oct. 5. Crayons ready? Then begin...
