

A WINNER! — Kenny Davis, 10-year old son of Mr. and Mrs. Ken Davis, 803 Woodside, was the \$50 winner in last week's football contest. Kenny filled out his own choices and won. His dad said he hasn't even come close on his own predictions.

# Two Share Football Money

For the first time in seven weeks, there was no clear-cut winner in last week's Mirror-Herald football contest.

None of the guessperts were able to come up with a perfect card, due to R-S Central's 7-6 upset of favored East Rutherford.

Thirteen persons hit nine of the 10 area high school and college games, but none of the 13 could hit R-S Central's upset.

Thus, the tie-breaker again determined the winners, and this time two persons came within a point and will share the \$75 first and second prizes.

Sara George and Tommy Buchanan, both of Kings Mountain, predicted 27 points on the Delores Hughes, Kenny Davis and Johnny Cobb.

Mrs. George and Buchanan will receive checks for \$37.50.

Others missing just one game, included Foley Cobb, Kathern Gordon-Wright, Mike Bowen, Barry Webster, Ron Carpenter, Richie Land, Chip McGill, Mark Champion, Dedores Hughes, Kenny Davis and Johnny Cobb.

There is another contest in today's paper, listing 10 of this week's top high school and college games. Read over the rules and send us your entry. You could be the next winner.

The long-range weather forecast includes variable cloudiness through Thursday. Over the western N. C. section rain is possible during the same period. Temperatures are expected to reach highs in the low 70s and lows in the low 40s. According to the U. S. Weather Bureau the varying temperatures means, at best, we are having "sweater weather."

## KM Area Citizens Honored For Service

Seven Kings Mountain area people were honored Friday night at the first annual awards banquet sponsored by the Cleveland County Voters Registration Association.

The association is chaired by Dr. Joseph Roberts, who helped organize it about a year ago for the purpose of encouraging voter registration and to make voters aware of political issues.

The awards presented last Friday were in recognition of outstanding contributions by individuals to their communities in many areas.

Dr. Roberts said the people honored have made their contributions "without public recognition" before the association was established. He said, "We think of these people as our role models."

Mrs. Willie Marable and E. D. Wilson of Kings Mountain were recognized for outstanding civic service. Mrs. Marable is a teacher at North School and serves as director of the city's Homebased Child Care Program. Wilson, a retired educator-administrator, was recognized for his work in area Boy Scouting and education.

# Charge Those Old Batteries At Jaycees' Haunted House

When was the last time you were good and scared?

They say a little fright is good for the system. It charges the batteries.

The Kings Mountain Jaycees are offering citizens of all ages a chance to charge the old batteries Oct. 21-31 as they present "The Haunted House."

The former Roses Store, 215 S. Battleground Ave., is the site of the spooky goings-on, said Kemp Mauney, general chairman.

"Halloween is not Halloween without a visit to a haunted house," Mauney said, "so the Kings Mountain Jaycees have planned an exciting one for the area residents."

Included in the thrills are the Ghost Train — you see the lights and hear the sounds, but there is nothing there; Shrinking Room — a wall of

As an added bit of fun, application forms are being filled out by the young ladies at Kings Mountain Senior High to win a date with Dracula. The winner will arrive at

Friday's Mountaineer football game with the vampire in his hearse. After the game the couple will have a "blood pizza" at the Pizza Hut. At the haunted house the Jaycees will have concessions for sale, including Dr. Jekyll's Formula and Mummy Juice (soft drinks) and wolfbane (popcorn).

Tickets are \$1.25, but discount coupons are available inside today's Mirror-Herald. The Haunted House will be open weekdays and Halloween at 6 p. m. and Saturday and Sunday at 6:30 p. m.
