

Act On three Items

Adjustment Board Meets

The Kings Mountain Board of Adjustment acted on three requests, two dealing with mobile homes and one with a residential lot, at Wednesday morning's meeting at city hall.

The first request came from Mrs. Barbara Mabe to park a mobile home on her father's lot at 108 N. Deal St. Her father is V. F. Campbell.

Van Birmingham commented that "it goes against the grain, but I suggest we treat it as a hardship case and give a six month permit with

option to renew." The "hardship" aspect is that Mrs. Mabe is pregnant and her husband works out of town. She requested the trailer permit in order to be near her family during this time.

Board members Bob Myers, Rev. S. T. Cook and Paul Owens voted in favor of the motion.

In the second item, a request to park a mobile home at 1207 W. Gold St. Ext., the board voted against such action.

The request was made by Mrs. Geneva Sisk, who

explained that the W. Gold Ext. property is owned by Henry Lewis. Mr. Lewis is an invalid and Mrs. Sisk takes care of him. She wanted to move the mobile home on the Lewis property so she could be closer to her charge.

The request was denied following a lengthy discussion, in which it was pointed out that under the city's zoning ordinances two mobile homes on a single lot constitutes a trailer park and as such is subject to all the rules and regulations. For this reason, there was objection to the move by one area resident.

In the third item, Ronnie Whetstine was given approval for his request for variance on zoning for residential lot width and setbacks. Whetstine owns two lots on Linwood Rd. which contains two dwellings. He purchased both prior to the passage of zoning ordinances and it was pointed out he is protected under the "grandfather clause." Whetstine wants to sell one lot with residence and keep the second.

In the absence of Dickie Tate, who is in the hospital, Al Moretz was appointed to serve as temporary chairman for the meeting.
