The "British Look" at its best. By Cricketeer.

The English gentleman has always worn his tweeds with a quiet air of casual elegance. The secret is in the classic styling and patterns. Cricketeer has captured that British flavor with this new 100% wool tweed sportcoat. Meticulous tailoring, very British shaping, patterns and handbraided leather buttons make it a "simply smashing" sportcoat. And for that perfectly coordinated look, there's Cricketeer's classic tan gabardine slacks and sleeveless cable knit cardigan sweaters, both with buttons that match those on the sportcoat.
