

### Hunt To Run For House

## Several Last Minute Filings

When candidate filing ended Mon., Feb. 6 several last minute campaigners had entered the various local, district and state races.

Dr. Jack Hunt of Lattimore filed to campaign for one of the three seats in the 40th N. C. House District. Previously the three incumbents, Edith Lutz and Robert Falls of Cleveland County and Robert Jones of Rutherford County had filed.

In the 25th State Senatorial District P. W. Bailey of Belmont and Margaret Shelton of Gastonia filed. Earlier the three incumbents, Sen. Ollie Harris of Kings Mountain, Sen. Marshall Rauch and Sen. Helen Rhine Marvin of Gastonia, filed to seek re-election.

Three seats are available and the four Democratic candidates, Harris, Rauch, Marvin, and Bailey, will be trimmed back to three in the May 2 Democratic Primary. Mrs. Shelton is a Republican

candidate and not subject to a primary election.

The 40th House District candidates also face the voters on May 2.

A three-way race developed Monday in the Cleveland County School Board race when Mrs. Dianne Holland filed. There are two seats available and Mrs. Holland will vie with incumbent Mrs. Mary Lou Barrier and candidate Kenneth Ledford in this non-partisan race. Incumbent Bobby Stone did not seek re-election.

Cleveland County Sheriff Haywood Allen goes into the May 2 Democratic Primary facing Charles L. Peeler. Allen defeated Peeler four years ago by a narrow margin. There is no Republican opposition in this race and the Democratic winner May 2 will be elected on November.

Five candidates are campaigning for

the two Cleveland County Board of Commissioners seats available this year. The candidates include incumbents L. E. (Josh) Hinnant of Kings Mountain and C. M. Peeler, Jr. of Shelby. The other three Democratic candidates include Tommy P. Bridges of Kings Mountain, David M. (Pete) Stamey and J. D. (Dock) Turner of Cleveland County.

Incumbent County Coroner Bennett Masters faces challenger Dwight Tesneer May 2 in a two-way race.

Cleveland County Superior Court Clerk incumbent Ruth Dedmon seeks re-election unopposed.

In the 27th Judicial District Judge John Friday and District Attorney Hamp Childs, both of Lincolnton, are running unopposed for re-election. Friday is the Superior Court Judge. Both filed with the State Board of Elections.

## Cleveland Tech Slates Class

Cleveland Tech's Continuing Education Department has announced the class, Great Decisions, 1978.

This program begins Thurs., Feb. 16, on the Tech campus at 7 p. m. in room 2120.

Eight two-hour sessions will be held each Thursday evening concluding on April 6. The topics of discussion are given below and are available in booklet form from the campus bookstore. The books are published by the Foreign Policy Association, Washington, D. C.

Tech's dean of continuing education Dan T. Camp, states "this is one of our most important extension programs because it offers citizens information on, and a voice in, American foreign policy, and if you are a student over 18, educator, member of business or industry, or if you manage a household, you are

an important part of America's foreign policy."

Great Decisions, 1978, is prepared for up-to-date interest and provides a balanced background to broaden knowledge of foreign policy; opinion ballots for registering views on key international issues; and an effective way for persons to be briefed on the Administration's practice of openness in foreign policy actions. Various civic clubs and other organizations are especially invited to send representatives since the issues provide an excellent source of background material for club programs.

Topics of discussion include: Human Right Abroad; The Global Power Balance; The Changing Middle East; Dilemmas of World Energy; International Development; Japan and America; Canada, Mexico, and the U. S.; and The People and Foreign Policy.

### Monthly GED Test Scheduled For Friday

The monthly G.E.D. examination is scheduled at Cleveland Tech Fri., Feb. 10 from 1 p. m. until 6 p. m. and will continue Sat., Feb. 11, from 9 a. m. until 2 p. m. Both sessions are required in order to complete the test.

Application may be made by any North Carolina adult 18 or older who has been out of a regular high school program for at least 6 months.

The examination tests knowledge and understanding

of correct English, social studies, natural science, literature, and mathematics. Upon successful completion of the examination, the adult will be issued a Certificate of High School Equivalency by the N. C. State Board of Education.

Applications to be tested or re-tested must be made by Wed., February 8, to Mrs. Rebecca Cook or a staff member in the Learning Resources Center at Cleveland Tech, 137 South Post Road, Shelby.

## Duke's Routine Service Is Behind

CHARLOTTE — Duke Power Company said today its routine customer services have fallen behind as a result of recent ice and wind storms which devastated electric lines in many sections of the utility's service area.

"Virtually everyone at Duke Power was pushed into emergency service for nearly two and a half weeks restoring electric service to the affected areas," according to E. N. Hedgepeth, Duke's vice president, distribution engineering, construction and operations.

Three storms — two which caused heavy icing and a third with near-hurricane force winds — struck the Duke service area during a two-week period last month. Uprooted trees and falling limbs destroyed power lines in many sections of North and

South Carolina, leaving thousands without electricity during sub-freezing weather.

"Our first priority was to get the power back on to these areas as quickly as possible, and the routine work had to be set aside," Hedgepeth commented. He said a special effort is now being made to respond to customer requests for new connections, disconnects and other services that accumulated during the emergency period.

Hedgepeth said routine services were interrupted even in sections of the Duke service area unaffected by the storms since personnel in those areas, along with line crews from other power companies in the southeast, were required to repair damages to electric lines in the storm-stricken areas.

"We apologize for any in-

conveniences these delays have caused, but there was simply no way to perform routine work while these emergency conditions

existed," the Duke executive remarked. He said Duke hopes its customer services will be returned to a normal basis within a week or two.

## Tech Seminar For Secretaries Is Announced

The extension department at Cleveland County Technical Institute has announced a seminar especially for secretarial personnel entitled "A Secretary in the Modern Office" on Tues., Feb. 21, at Shelby Elks Club.

The seminar leader, Dr. Robert Kline, is professor of Business Administration and Business Education, School of Business Administration, Winthrop College, and is widely known and sought by both schools and businesses for this type program.

Enrollment will be limited and pre-registration forms must be returned to Cleveland Tech on or before Fri., Feb. 10. The fee will be twenty (\$20.00) dollars per person which includes registration, lunch and all materials.

Checks should be made payable to Dr. Robert Kline. As an added attraction, during the lunch break, the Fashion Merchandise and Marketing Curriculum at Tech will present a program concerning business fashions for the modern secretary.

Pete Stamey, Tech's Continuing Education Director in coordinating this seminar, said "It is our sincere hope that a large percentage of the secretarial personnel in our area will be able to attend." Should additional information be needed, please feel free to call the extension department at Cleveland Tech, 482-8351, Monday through Fri., from 8 a. m. to 4 p. m. All registrants must be at least 18 years of age. At least 15 students are required for this seminar to make.

### Grover PTO Sponsors Brunswick Stew Sale

Grover School PTO will sponsor a Brunswick Stew sale Saturday from 10 a. m. until 6 p. m. in the Grover School Cafeteria.

Only quarts to go will be for sale, and advance tickets are \$2.50 and at the door, \$2.75. Advance tickets are available at the school.

Proceeds will be used to purchase needed equipment for the school.

### Fire Destroys McCree's Home

Fire destroyed a frame house in the Midpines Community Monday.

For three hours firemen battled a fire at the residence of James McCree in the Midpines Community in freezing temperatures that turned water from the fireman's hose to sheets of ice, a spokesman for the Kings Mountain Fire Department said.

The fire was reported at 10:06 a. m. and was believed to be caused from a heater, the report said.

### WEEKLY Health Tips

From Wilson Griffin

Artificial colors and flavors may be restricted in school lunches for hyperactive children in California. 60 percent of hyperactive children showed improvement when on a diet of foods and beverages free from artificial color and flavor for a two-month test period. Some 5 million school children currently suffer from hyperkinesis — thousands are treated with amphetamines and tranquilizers.
