Couple Is Honored

Miss Karen Black and Dale Swofford, who were married on Valentine's Day, were honored at an after-rehearsal dinner party Monday evening.

Mr. and Mrs. Roy Swofford, parents of the bridegroom-to-be, hosted the event in the Fellowship Hall of Beaver Dam Baptist Church. Dinner was served buffet-style from a table

covered with a red cloth overlaid with white lace and centered with a crystal pedestal vase filled with red carnations and white daisies, mums and red candles. Smaller arrangements were used on the tables where guests were seated for the meal. Miss Black was presented a corsage of white mums to wear with her party dress.

The 44 guests were members of the two families and wedding party.

WEEKLY Health Tips

From Wilson Griffin
When wheat is processed into white flour, not only is the most nutritious wheat germ eliminated, but there is a 60 percent calcium loss. A diet of white flour contributes to the loss of bone strength in older people, and the ease of bone fractures. Whole wheat breads and whole grain cereals generally are the more healthful in supplying vitamins A, B complex, and E, as well as essential calcium.
