

## In Memory Of Mauney

Kings Mountain Hospital Board of Trustees unveiled a portrait in memory of George William Mauney, President of the board for 18 years, at ceremonies Sunday afternoon.

John L. McGill, president of the board, made the portrait presentation which was accepted by Mr. Mauney's widow, Mrs. George (Wilma) W. Mauney, Mrs. Henry P. Neisler, a member of the board, assisted in the unveiling of the oil portrait which has been hung in the lobby of the hospital on W. King St.

After the presentation, members of the Kings Mountain Hospital Auxiliary served refreshments. Mrs. John L. McGill and Mrs. L. E. Hinnant assisted in serving punch and coffee.

George William Mauney, prominent Kings Mountain businessman and owner of Kings Mountain Bonded Warehouse, died Aug. 18, 1976.

Said Mr. McGill in making the presentation, on behalf of and in the presence of trustees and their wives and hospital officials, "We have met here this afternoon for the unveiling of a portrait of George William Mauney, who served as president of the board of trustees of the Kings Mountain Hospital for 18 years. This is being done in recognition and in appreciation of his dedicated service to the hospital. George had a real

passion for the great work of alleviating pain and suffering and in the preserving of human life. He had concern for all those in need of health care and he never lost sight of the underprivileged. Because of his dedication, he gave generously of his time and efforts in support of the cause which was so close to his heart. This portrait will ever penetrate a service unselfishly rendered and will remain in silent testimony of a dedicated life."

Responding and accepting the portrait, Mrs. Mauney said, "I want to express my gratitude and many thanks to the board of trustees for their thoughtfulness and kindness in

giving this portrait to the hospital — a tribute in memory of George. I have a very happy and heart-warming feeling that you regarded, may I say, his dedicated service to merit this tribute. If he could know, he would be humble and most appreciative. He truly enjoyed giving of his time and the knowledge he possessed with everyone to make the Kings Mountain Hospital the best possible for all who need of its services. He wanted to and believed in helping his fellowman and in so doing he was serving God. Thank you again and my sincere appreciation for this tribute in memory of George."
