Some Good Tips On Preventing Crime

PORCH AND PATIO DOORS

Treat the exterior doors on the rear and sides of your home as probable targets for entry. Since they may be less observable from the street and by neighbors than your front entrance, you may need to take extra precautions.

YARD LIGHTS

Each exterior entrance — including the garage door should be well lighted. Post lights in your yard or floodlights mounted under the eaves to prevent blind spots where burglars can hide. Low cost controls for exterior lights will turn them on and off at specified times, or light sensors will illuminate them from dusk to dawn.

INTERIOR LIGHTS

When you are away from home — whether on vacation or just for the evening — keep some interior lights burning. To create the appearance that someone is at home, use a timer to turn lights on and off at normal times. A radio playing adds to the illusion that the house is

occupied.

LANDSCAPING

When placing trees, bushes and flowers remember to keep doorways, windows and porches clear. Remember that the bushes that provide you with privacy also give a burglar a place to hide. Plan your landscaping with both privacy and security in mind.

BE NEIGHBORLY

Talk with your neighbors about your concern about burglary. Tell them what you are doing to protect your home. Ask them to report any suspicious persons or activities around your home to your law enforcement agency. Good neighbors make safe neighborhoods.

If you plan to be away from your home for a period of 24 hours or more, please contact the Kings Mountain Police Department Crime Prevention Office at 739-3636 or 739-7444 for a Home Security Check.
