### WEEKLY Health Tips

From Wilson Griffin

A 'sense of humor', a necessity for health in modern life is the best antidote for tension and stress. Try to see humor, the funny side, in little happenings each day. Don't take yourself too seriously. Smile, chuckle, and laugh easily at life's little foibles. You'll be healthier for it — and it's contagious.

Of course, it is easier if you have just inherited from a rich aunt.
