**POLAR BEAR** - Randy and Rick Butler of Waco Rd. decided to use their creative energies last week and what they ended up with is what you see - a gigantic polar bear fashioned of snow and bits of stone. The bear is slowly melting on his perch at the back edge of the parking lot at First Wesleyan Methodist Church.

**In Search Of The Living God**

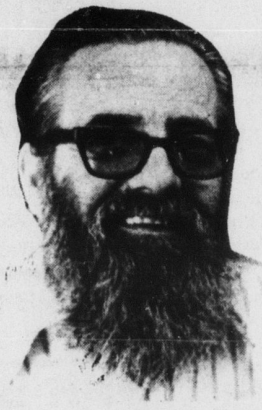

**Where Is The Opening To Paradise In Earth?**

From the Bible we learn that somewhere in Palestine there is an opening to the Paradise inside the earth.

Today, no man knows where this opening is, but for 1,650 years before the flood, Adam, Seth, Enos, Cainan, Mahaleel, Jared, Enoch and many others knew where it was. See book of Adam and Eve in L. B. B. This entrance to paradise may be beneath the Mount of Olives (and this writer believes that's where it is). See Zec. 14:4-6. It could be that the Mount of Olives is ediment from the flood in Noah's day.

The opening to this Valley. Please open your Bible to the 14th chapter of Zechariah and leave it open. "His feet shall stand in that day upon the Mount of Olives, which is east of Jerusalem. And the Mount of Olives shall cleave in the middle from east to west... Half of the mountain shall move toward the north, and half of it toward the south... and there shall be a very great valley," Zech. 14:4.

The 26th and 27th chapters of Enoch seem to tell us that this great valley leads from Jerusalem to Paradise

By Don Kistler

inside the earth. He said that there was an opening to the abyss (the hollow earth), and that it will be to the right of the Lord's temple in Jerusalem, Enoch 5 - Ezekiel 41 to 48.

This Mysterious Valley: Zechariah seems to tell us that the resurrected and changed saints will enter this very great valley which leads to Paradise. Note: "The Lord my God shall come and all the saints with (him)... And you shall flee to the (very great) valley of the mountains" Zech. 14:5.

We can estimate that this hidden valley is just a few miles long, or it may be 500 miles long. It may be many miles wide and have a ceiling many miles

high. Not one thing is impossible for Jesus to do. By switching the pull of gravity. He can make that valley as level as any floor. No "up" or "down" - Because of gravity pull, this valley does not go down into the earth. It would have to be perfectly level from the outside to the Eden Paradise. From the books Enoch, and Adam and Eve we learn that the whole valley is filled with shekinah (glory) light.

Many of the things we print in the Mirror-Herald may not be yet seen by other believers, but we stand on the Rock (Jesus). We are grounded in basic truths of salvation (Yeshua).

We at the ministry of Positive People Worldwide wish not to debate, nor to destroy any orthodox Bible truth. But we as a body, promote and teach greater truth not yet known to believers.
