

Metric System Is Topic For Secretaries Meeting

"The Metric System" has been selected as the general topic for the annual program of the year conducted in February by the chapters of The National Secretaries Association (International).

Locally, the Spindlette Chapter of NSA has scheduled its metric program for Tuesday night at 7 p. m. at Gastonia's Holiday Inn. According to Mary

Solomon, president-elect, who is secretary to Ralph L. Young, Wix Corporation, the educational meeting will feature Don McGinnis, math-science supervisor, Gaston County School System as speaker.

Commenting on the subject's importance, Beverly H. Hamby, CPS, International President, NSA, who is secretary to Albert S. Golemon, FAIA, Golemon and Rolfe Architects, Houston, states:

"Whether gradual or sudden, the conversion to a new system such as the changeover from U. S. Customary weights and measures to decimal-based metrics becomes the professional secretary's responsibility to learn and master. Secretaries are

going to have to think metric and write metric fluently and accurately. "Domestic use of the metric system requires basic adjustments in office methods and procedures. This involves different terminology for letter jargins, paper and envelope

sizes, and type faces. Even that old familiar desk punch, will be replaced by a four hole punch." standby, the three hole

Planning Underway For Psychology Class

Plans are being made to offer Psychology 4700 — Behavior Modifications — on Cleveland Tech's campus for the fall semester, 1979, by Appalachian State University. Dr. George Wesley, Psychology professor from ASU, is amenable to teach this graduate course.

Persons interested in this course should submit their names and addresses to: Mr. Bob Callahan, Cleveland County Technical Institute, 187 South Post Road, Shelby, N. C. 28150. All names and addresses must be in by March 1.

Psychology 4700 may be taken for graduate credit-teacher renewal credit. Persons interested in taking the course for renewal credit should check with their education officer in their school district.

The electric stove was invented by William S. Hadaway in 1896.

LISA ANNETTE SUTHERLAND

ENGAGED — Mr. and Mrs. Olin D. Sutherland announce the engagement of their daughter, Lisa Annette, to Eddie Garlas Johnson, son of Mr. and Mrs. Garlas Johnson. Both families are of Kings Mountain. The bride-to-be is a senior student at Kings Mountain Senior High School where she is President of the Future Business Leaders of America (FBLA) and is a member of the Pep Club. She is employed as a secretary in the office of Barry W. Jenkins, CPA, in Kings Mountain. The bridegroom-to-be is a 1975 graduate of KMSHS, where he was a member of the VICA Club. He is employed by Park Dale in Gastonia. No date has been set for the wedding.

MISS LINDA ANN SMITH

ENGAGED — Mr. and Mrs. Garland O'Neal Smith of Kings Mountain announce the engagement of their daughter, Linda Ann, to Michael Keith Hardin, son of Mr. and Mrs. Clyde Hardin of Kings Mountain. The bride-to-be is a graduate of Kings Mountain High School, attends Gaston College, and is employed by Whitesides and Robinson, Attorneys at Law. The prospective bridegroom is a graduate of Brevard College and is employed by Hardin's Body Shop. The wedding will be an event of March 11th at 2:30 p. m. at Kings Mountain First Wesleyan Church.

LESIA ANN HUGHES

ENGAGED — Mrs. Betty B. Hughes and Bill Hughes of Kings Mountain announce the engagement of their daughter, Lesia Ann, to Fleete LaMont (Monty) Wilson, son of Mr. and Mrs. Charles E. Wilson of Kings Mountain. The bride-to-be is employed by Dellinger's Jewel Shop. The prospective bridegroom is employed by Jenkins Metal Corporation of Gastonia. The wedding will be an event of July 1st at East Gold Wesleyan Church of Kings Mountain.
