Students Interview Wednesday

Barry M. Lineberger and Cynthia K. Wells, senior students at Kings Mountain Senior High, are among seven area high school students who will be interviewed March 7th to determine this year's winner of the four-year plant community scholarship valued up to \$6,000 to be awarded by the local PPG Industries Foundation.

They were recommended as scholarship finalists by the National Merit Scholarship Corporation based on scores on the National Merit Scholarship Qualifying Test.

Other finalists are Timothy D. Champion, Mary M. Walker, William R. Tidwell, Vicki L. Latham, and Lisa F. Roberson, all of Shelby High School.

Landscape Class Is Planned

Cleveland Tech's Continuing Education Department has scheduled a landscaping class to begin Tues. March 13, from 7:30 to 9:30 p.m. on Tech's campus in Room 1004.

Bill Roberts, an experienced professional in landscaping, will teach the 12-hour course. With Spring approaching this is a fine opportunity to get involved with learning how to get your lawns and gardens improved and beautified. The classes will involve some field work during which time the students will develop a landscaping plan on a live project.

Registration will be at the first class meeting with persons age 65 and older being exempt from the \$5.00 fee which is the only charge for the course.
