

Annual Bass Tourney Signup Ends Friday

As of Wednesday morning only six persons had entered the second annual Bass Fishing Tournament at Moss Lake for Sat., April 14. The tourney is sponsored by the Kings Mountain

Fire Department to raise funds for the Toys For Tots program for needy children at Christmas.

Signup will continue until 5 p.m. this Friday at the Moss Lake office. Team fishing from boats

only are guidelines for the event, which runs from 7 a.m. until 4 p.m. Saturday. The entry fee is \$50 per

boat and registration will be cutoff after the first 30 teams and boats are signed up. Registration fees are in

advance. Anglers will go after black and large mouth bass only from their boats

and official weigh-in time is 4 p.m. One pound per minute will be deducted from the total catch up to 4:05 p.m. Any teams checking in after 4:05 will be disqualified.

A total of 60 percent of the purse will be awarded in prizes (first through 10th place) and a special prize of one percent of the purse goes for the largest black or large mouth bass caught during "Bass-2." All prizes will be awarded winners following the final team weigh-in.

Proceeds above the purse prizes go into the fire department's annual toys for tots program for Christmas 1979. Last year the first tourney raised over \$300 for the project.

Belk

Boycott

Threatened

Last week a Belk Department Store official from Gastonia announced the closing of the Belk store in Kings Mountain this summer.

This week petitions are circulating throughout the community threatening to boycott not only Belk in Gastonia, but the store in Shelby, if the Kings Mountain store is closed.

The petition, which already contains over 150 names, is addressed to Frank Matthews at Belk in Eastridge Mall, Gastonia.

The petition states:

"We are writing to let you know of our disappointment and concern over the upcoming closing of the Belk Store here in Kings Mountain. This department store, although small compared to other Belk stores in the area, meets many needs that we have almost daily.

"We have many senior citizens in our area who are in walking distance to downtown Kings Mountain who depend on Belk for many of their shopping needs. The Eastridge Mall is not very accessible to the elderly and handicapped, whereas our Belk Store is.

"The higher price of gasoline and probable shortage will in no doubt, cause a decline in your business. It certainly will affect our driving some 15 miles to shop.

"The salespeople at Kings Mountain Belk are the most helpful and friendliest of all Belk Store employees in this area.

"Kings Mountain is a small town, but growing every day. We feel that you are not considering all of the people and circumstances in your decision to close the Belk Store here. We hope you will reconsider these points that we have brought out and change your decision in favor of leaving the Belk Store open for people of Kings Mountain."
