SCOUTS WORKING—Cub Scout Pack 102 of Shiloh Presbyterian Church in Grover spent most of their meeting time Wednesday picking up trash along the streets of Grover. In top photo above, the Scouts work along the railroad tracks and main street. In lower photo are all the youngsters who participated. Left to

right, they are Lee Strudwick, Ronald Good, David Queen, Jeffrey Ross, Tripp Whitener, Chris Saldo, Barry Ross, Warren Smith, J.B. Cissell, Michael Bollin, Kenneth Wright, Anthony Jackson, Dale Chapman, Anthony Reid, Randy Garner, Brent White and Chris Scruggs.

Gymnastics Club Installs Equipment

Kings Mountain Gymnastics Club has installed an olympic-size new Nissen Padded Balance Beam at cost of \$800 and purchased as proceeds from the sale of Christmas cards and other fund-raising projects. Club members will raise the \$200 owed on the new piece of equipment this spring by sponsoring car washes, yard sales and bake sales, said a spokesman.

Another fund-raising project will get underway purchase uneven parallel bars and private donations are also encouraged.

Summer classes begin Thursday, June 7th, with registration on Thurs., May 31, from 4 until 7 p.m. at the Community Center.

Classes will run for eight weeks and cost is \$24 per student.

There will be classes for beginners from 4 until 5 p.m., classes for intermediates from 5 until 6 p.m., classes for advanced students from 6 until 7 p.m. and women's exercise and

conditioning classes from 7:15 until 8 p.m. All classes meet on Thursdays, beginning June 7th, at the Community Center.

The public is invited to observe classes during the month of May. Classes run from 4 until 7 p.m. at the KMCC gymnasium.

Micro-Wave Oven Is Talk Topic

"Selecting and Using the Food Processor and the Micro-wave Oven" will be the topic of a program given on Tues., May 8 at 10

a.m. in the Home Economics Extension kitchen of the County Office Building.

Betty Gilbert, Home

Economist with Duke Power Company, will present the program. Mrs. Gilbert will point out different features to look

for when selecting a food processor or micro-wave oven. She will also demonstrate what they will or will not do by

preparing several foods. For further information, contact Jessie Ann Wingo, Home Economics Extension Agent at 482-4365.

THE LIBERTY ACCOUNT

THE INTEREST/CHECKING PLAN
FROM INDEPENDENCE NATIONAL BANK.

**NOW, EARN
INTEREST
ON ALL
THE MONEY
YOU PUT IN
THE BANK.**

Independence National's new interest/checking account may be the shot heard 'round the banking world: we call it our Liberty Account because it frees all your available funds to earn interest.

It works like this: You'll still maintain two accounts — checking and savings — but now, until you write a check, all your funds remain in savings earning 5% interest. As you write checks, funds are instantly transferred to your checking account to pay them.

Your checking balance remains at zero before and after we pay your checks and all your money stays where it does you the most good — in savings.

If you maintain a \$2,000 savings balance, your Liberty Account service is absolutely free. A lower balance will be charged \$3.00 per month plus 14¢ per check.

If you prefer, you may elect to use your Liberty Account for overdraft protection alone, with transfers made only when your checking balance is not sufficient to cover a check you've written. The charge is only \$1 per transfer.

Your Independence National banker can provide all the details about our new Liberty Account. Stop by soon.
