BIKE WINNER - Mark Stacey, son of Mr. and Mrs. G.J. Stacey of Route 5, Kings Mountain, was awarded this 10-speed bike for raising the most money in the recent Kings Mountain Wheels for Life bike-a-thon. He raised \$210.60 for St. Jude's Children's Research Hospital. The bike was donated by Western Auto and First Union National Bank.

Raise \$1,163.13

Area youngsters raised \$1,163.13 for St. Jude's Children's Research Hospital in the recent Kings Mountain Wheels for Life Bike-A-Thon.

"The ride was a great success and showed that Kings Mountain understands the importance of research being done at St. Jude Hospital," chairman Tom Franks said in announcing the ride's results. "Everyone who participated did a wonderful job.

"The \$1,163.13 raised from the ride will help continue the research into childhood cancer and other catastrophic diseases," he added. "Children here and everywhere will be helped by this successful bike-a-thon and the progress being made at St. Jude Hospital."

Area businesses contributed awards and prizes. They included Western Auto, First Union National Bank, Home Federal Savings and Loan, Bridges Hardware and Carquest Auto Parts.

Others supporting the event included individuals, Kings Mountain Police Department, Kings Mountain Rescue Squad, Cleveland County Sheriff's Department, McDonald's, Hardee's, Kings Mountain District Schools, and Kings Mountain Fire Department.

Students Tour Foote

Winners of the Kings Mountain Junior High School Science Fair, held March 15-20 at the Junior High, toured Foote Mineral Plant Wednesday morning.

The tour began with a film presentation on mining and talks on the plant's general operations from Walt Cook, Operations Manager, Robbie Camper, Safety Supervisor, and Larry Wood, Personnel Manager.

The group then toured the plant's mine, led by Mine Manager Pete Loncar, the mill, led by Mill Manager Denny Moscal, and the Chemical Plant, led by Ron Bailey. A luncheon at the Holiday Inn followed the tour.

David Heffner, a science teacher at KMJHS who accompanied the students, called the tour a "good learning experience, and a good opportunity to learn about industry." The group was also accompanied by KMJHS science teacher Audrey Leonhardt.
