

## Waffle House Is Open

Kings Mountain's newest restaurant—the Waffle House—opened for business Wednesday at Highway 161 and I-85.

The Waffle House, specializing in waffles but also offering a wide variety of breakfast items, sandwiches, soups, steaks, and other short orders, will be open 24 hours a day, seven days a week.

Rosa Brazzell is manager. Unit Manager is Linda Barefoot and Area Supervisor is Cliff Madden. The Kings Mountain business is one of 20 Waffle Houses in the two Carolinas and Georgia which are franchised by Hillcrest Foods. Richard Beard is president of the company, Robert O'Rear is vice-president and Gilbert Miller is secretary-treasurer. There are 460 Waffle Houses nationwide.

The Waffle House will have a seating capacity of 41 and parking facilities to accommodate 26 cars. The building is 1,500 square feet inside, Building Supervisor O.G. Bates said.

Ms. Barefoot said the Waffle House will offer all of its menu items 24 hours a day.

Informal opening ceremonies were held Wednesday from 4-6 p.m. and included a VIP lunch. The doors opened to the public at 6 p.m.

"We're very glad to be in Kings Mountain," Ms. Barefoot said, "and we are looking forward to serving Kings Mountain and the surrounding communities."

## Lions Candy Days Set

Kings Mountain Lions Club will hold its annual Candy Days for its White Cane drive Thursday, Friday and Saturday.

Members of the Lions Club will be giving away candy and accepting donations in front of Harris-Teeter, Winn Dixie,

TG&Y and First Union National Bank from noon until 9 p.m. Thursday and from 10 a.m. until 9 p.m. Friday and Saturday.

All proceeds will go directly to the White Cane Fund. There are no administration costs. Bill

Stone, chairman of the project, said the Lions have a goal of \$3,000 after raising over \$2,800 in their most successful year ever last year.

## Commissioners Consider Dissolving Committees

Kings Mountain's Board of Commissioners is considering dissolving some or all commissioner committees.

In a discussion during the board's regular meeting Monday night at the Governmental Services Facilities Center, commissioner C.H. Nicholson made a motion to dissolve all committees but later withdrew it.

Mayor John Moss said the city cannot dissolve any committees required by law, such as the Planning and Zoning Board and Board of Adjustments.

Commissioner Jim Childers said he was concerned that if the board dissolved commissioner committees, some of which are required by town ordinances, that would in effect do away with the ordinance.

Commissioner Norman King suggested that the board refer to the city ordinances to see which committees could be dissolved. In another matter, Water

Foreman Walt Ollis told the board that the city has until October 1 to submit a preliminary waste-water pre-treatment package to the Department of Natural Resources and Community Development.

Kings Mountain is one of 118 municipalities required to furnish the information.

Ollis said large industrial users will soon be required to pre-treat waste water before pumping it into municipal treatment facilities.

The city must present the NRCD information concerning industry and waste water use in Kings Mountain; an industrial users' survey; and an evaluation of Kings Mountain's authority to enforce waste water pre-treatment.

Ollis said the city has sent out surveys to 44 large industrial
