the state's fourth-ranked 3-A football team. The Chargers had their toughest test of the season, scoring a 9-2 win over the Mountaineers.

convince themselves that they can win.

"We can be successful if we come back with a positive attitude and continue to play hard," he said. "We need to realize that we played well and just came up short. We've done that three times and it sounds like the same old story everytime."

Brooks said North Gaston has some good backs but lost some good players, including quarterback Alex Saylor, who broke a

58-yard touchdown run late in the game last year to beat the Mounties 6-0.

"They can't be as good as they were last year," he said. "But they still have a good team. They whipped East Gaston and were more in the game with Shelby than the final score showed."

The Wildcats lost to Shelby last week, 28-14. They're 1-3 in the SWC and 2-5 overall, with victories over Charlotte Latin and East Gaston.
