

One of the Jaycee's spooks...

Haunted House Set

The Kings Mountain Jaycees will present their "Haunted House" again this year at the Jaycee building at the corner of East Gold and Cherokee streets. The house will be in operation from October 20-31, beginning at 7:30 each night. Admission is \$1.50. Fifty cents discount tickets are available from Jaycees.

But those attending should beware. "The guillotine has already claimed the head of one helpless victim and the snakes and rats stand aside when the wolfman wanders through. If you think you had the maze figured out last year, watch out, it's all different this year. And, of course, the satan worshippers

have joined our little seance again this year. We dare you to come," said one Jaycee.
