

KM Battles Shelby For Tennis Crown

It's the same old story. Kings Mountain High's girls tennis team will battle Shelby Thursday at Shelby for the Southwestern 3-A Conference championship.

But Coach Ed Guy and the Mountaintettes are hoping this year there will be a different ending.

The Mountaintettes and Shelby both go into the match with 7-0 SWC records. Kings Mountain is 11-0 overall. With only one match remaining Monday against Chase, it appears only Shelby stands between the Mountaintettes and their first perfect season and first SWC championship.

Only Shelby. Jumping that hurdle won't be easy. The Lady Lions have never lost a Southwestern 3-A Conference match. The Mountaintettes have come close several times, but never closer than a 5-4 defeat.

The Mountaintettes tuned up for the meeting with victories Monday and Tuesday over East Rutherford and Burns, respectively.

"All of our girls played well in those two matches," said Coach Guy. "I'm really hoping they'll be at their best Thursday at Shelby."

Thursday's meeting will not only determine the SWC champion but will determine many of the top seeds for next week's Sectional Tournament at Shelby. That event, scheduled for Wednesday and Thursday, will bring together 18 schools from this area.

The top finishers in the Sectional Tournament will advance

to the Regionals the following week in Hickory, and the top players there will go on to the State Tournament November 10-11 in Chapel Hill.

Dr. Sellers Is Selected

Dr. Terry R. Sellers, Kings Mountain Chiropractor, has been selected to be a participating doctor in Practice Consultants, Inc.

Dr. and Mrs. Sellers and staff traveled to Atlanta this past weekend to attend the first study session.

Dr. Sellers has been a probationary associate member for the past several months, during

which time he has been submitting patient clinical data for the group to evaluate. He was notified to his acceptance just before the October meeting.

This group regularly conducts three-day symposiums in Atlanta involving an ongoing educational and research program in advanced phases of chiropractic work, oriented toward instructing members in becoming better

qualified "Family Doctors".

Each symposium contains new facts of chiropractic care for the whole family as well as detailed study of the latest methods of treatment.

Dr. Sellers states that during the coming year, he and his staff will be making regular visits to Atlanta, and he feels it will enable him to render a superior service to his patients.

Back Pain

There can be many reasons for back pain. Most often the cause is muscular, slipped disc, pinched nerves, arthritis, or displaced spinal vertebrae. Proper examination to determine the cause of back pain is essential so the right treatment can be administered for the patient's recovery.

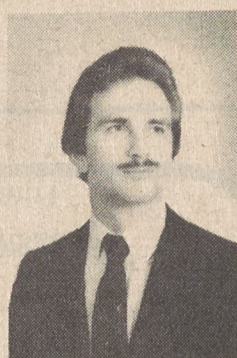

If back pain is a way of life for you, consult us. We specialize in examination and treatment of these problem cases.

HARRILL JONES SCHOOL BOARD NOV. 2

BUILD NEW ASHLEY?

We must "take a closer look" at all schools in the ASHLEY, CLAY, LINGERFELDT & CENTRAL area. I feel we can explore other viable plans that would allow us to use at least three of these schools more fully and at the same time not spend \$4.5 million on a new school that may not be needed at all
