Contest Winner

Sandra Gregory of 1106 Balthis Drive, Gastonia, edged out three other contestants on the tie-breaker to win last week's Herald football contest.

Ms. Gregory hit 18 of 19 winners in the eighth weekly contest. The Notre Dame-Oregon game ended in a tie.

Ms. Gregory's only miss was the Indiana-Ohio State game. She predicted an Indiana victory.

She claimed the \$75 prize on the tie-breaker, picking 55 points in the N.C. State-Clemson game, won by the Tigers 38-29. She won by only one point over Jacques Causby of 107 Center Street, Kings Mountain, who missed only the Tennessee-

Georgia Tech game and predicted 54 points on the tie-breaker.

Burman L. Bryant of 1204 Scenic Drive, Shelby, missed only the Tennessee-Georgia Tech game and picked 46 on the tie-breaker. Joyce Robinson of P.O. Box 351, Grover, missed only the Texas-SMU game and predicted 36 on the tie-breaker.

The ninth of 10 weekly contests is inside today's Herald. Predict the most winners and get us your entry by 5 p.m. Friday, and you'll win the next \$75 check. Mail your entry to Football Contest, P.O. Box 752, Kings Mountain, 28086, or bring it by our office on King Street.

Is your child's toy safe?
Minibikes, motorcycles and children's toys caused an "epidemic" of accidents last year. If any of these items have been added to your household via Christmas, you'd better take stock.

Nearly 40,000 accidents were recorded last year due to riders of mini-bikes and motorcycles. So, use with respect! And how about children's play toys? Seven toy dangers to know include: wrong toy for child's age; sharp edges; small parts; loud noises; sharp points; propelled objects; and electric toys.
