

KM Students Honored

The Society of Distinguished American High School Students announced today that four students from David Baptist Church have been selected as members for 1982.

The Society is one of the most selective high school honoraries in America. Membership is not only an honor but also an incentive for those exhibiting top performance while in high school. To be accepted, students must have excelled in academics, extracurricular, or civic activities and be nominated by a local sponsor.

Students awarded this honor include: Lisa Ann Roard, April Susan Biggers, April Annette Hoyle, and David Scott Previne.

The students sponsor, David Baptist Church, has been presented a National Appreciation Award from the Society for "the steadfast dedication and untiring contributions made on behalf of the students."

FALL REVIVAL

Fall revival services will be held November 7-10 at 7 p.m. nightly at Grace United Methodist Church, Kings Mountain. Speaker will be the Rev. Hubert Clinard.

SCHOOL BOARD

The Kings Mountain District Schools Board of Education will hold its November meeting Monday night at 7:30 in the Kings Mountain High School library.

The Society is unique in that it combines the honor of membership with its national Awards Program which earmarks college scholarships for Society members. This scholarship program, now in its fourteenth year,

is funded by 104 prestigious American colleges. The Society preserves the student's honor by listing their biographical accomplishments in an annual Membership Registry which is distributed nationally.

Building Dedicated

The Cleveland County Chapter - American Red Cross Board of Directors recently dedicated its new building to Horace B. Ledford, current Chapter Chairman, with the installation of a handsome bronze plaque. The inscription reads, "American Red Cross, Cleveland County Chapter, dedicates this building to Horace B. Ledford, without who it would not have become a reality."

Ledford said at the dedication, "Thank you all for this undeserved honor. I only had a small part in the success of the Red Cross and it's embarrassing to receive such a high honor. I have never worked in the community for personal recognition and have received many honors I did not deserve. I re-dedicate this building to he citizens of Cleveland County. They raised

the money, they did the work, and it is their building. I'm thankful for all who helped with this building, for my family, and for my company. I have been fortunate to work for Dover Textiles who through the leadership of Charles I. Dover and Jack Vincent, has always shared its financial resources and its

human resources, with the fine community of Cleveland County and its outstanding citizens. In fact, Mr. Dover, through the Dover Foundation, started the building fund drive with a sizeable contribution and without him we could not have built this building. I share this honor with him."
