TG&Y Adds Items

First there was the Fox, Penney's version of Izod's pique polo shirt. Hard on the heels of this successful venture, comes the T.G.&Y. Walk-on collection which features a Tennessee walking horse. The designer-type merchandise at moderate prices.

The Walk-on collection's target is Ralph Lauren's polo line where 100% cotton lisle polo shirts for men and women are most noted. Like the polo, the Walk-on has its own history included on every Walk-on garment. "The Walk-on portrays the Tennessee walking horse that generated from Tennessee in the 1850s to provide plantation owners a comfortable and gracious mount with endurance. Now, mainly bred for show and pleasure, its unique running walk has never been successfully taught to any other breed. The Walk-on brand of clothing provides the same adaptable utility of the breed it symbolizes. For hours of comfortable and stylish fit choose the acceptable standard of distinctive family fashions."

Much like the polo line, the Walk-on collection has evolved from just shirts into a wide variety of other garments including coordination prairie-style blouses and skirts, action wear, and other coordinates. In addition, the Walk-on program pays special attention to the American family, offering coordinations in all departments—Men's, Women's, Juniors, Boys', and Girls'.

According to T.G.&Y. President, D.S. Kelly, "The Walk-on program has already sold more than \$11,600,000 in T.G.&Y. family centers throughout the country, thus providing to be the single most successful apparel program ever to be introduced in the 925-unit chain. It is obvious that the customer appreciates the quality and price of these goods."

Headquartered in Oklahoma City, Oklahoma, the company operated 925 units in 28 states employing over 35,000 nationwide. Over the past 45 years,

T.G.&Y. has grown from sales of approximately \$500,000 to over \$2,000,000 company wide.

Disabled Dispatch

By Ross Baumgardner

We have moved into our office in the Neighborhood Facilities Building, room 113 so please stop by and visit with us. We are still urging all disabled/handicapped persons to register with us whether you require assistance now or not. We want to have your address and status for two reasons; we want to plot your home on the locator maps that will be maintained by the Fire Dept. Rescue Service and Police Dept. City disaster bill. A decal will be placed on your home identifying it as having a disabled/handicap person residing there. All information provided is held in confidence except as noted above. We still don't have a phone at the office as yet, so continue to call 739-5938.

Social Security update: All claims to be reviewed by Social Security now require a face to face interview with a Social Security claims person before any funds can be terminated!! They found that of the claims terminated in the past, two thirds were re-instated after proper investigation.

I ASKED

I asked GOD for strength, that I might achieve.
I was made weak, that I might do greater things.
I was given infirmity, that I might do better things.
I asked for riches, that I might be happy.
I was given poverty, that I might be wise.
I asked for power, that I might have the praise of men.
I was given meekness, that I might feel the need of GOD.
I asked for all things, that I might enjoy life.
I was given life, that I might enjoy all things.
I got nothing that I asked for, but everything I had hoped for. Almost despite myself, my unspoken prayers were answered.
I am among all men, most richly blessed.
