## KMHS Girls Defeat Chase

Kings Mountain High's girls tennis team closed out regular season play Monday with a 9-0 victory over Chase.

The win gives the Mountaintettes a final record of 7-1 in the Southwestern 3-A Conference and 12-1 overall.

"This has been the best year we've ever had," commented Coach Ed Guy. "All the girls did a very good job. This was an enjoyable group to work with and I'm looking forward to working with most of them again next year. With four girls going to the regionals, this is the most interest we've ever had in girls tennis. I'd have to classify this as the best girls team we've ever had."
