## Support Attic Sale

To the editor:

I want to commend the Kings Mountain Sertoma Club and our area churches for sponsoring the Ten Treasures Attic Sale which is to be on June 4 at the downtown former Belk's store. Back of this sale is the wonderful motive of helping our poor and needy; and the money earned will be given to the Kings Mountain Ministerial Association for the Helping Hand Fund. It is good to have this worthy cause brought to our attention so that we can unite our efforts in meeting a real need, one which some of us may not have realized existed. I'm proud to live in a town that is compassionate and caring. Now comes an opportunity to show our personal concern for those less fortunate than we are. And in it, we have the assurance of pleasing our Lord who in His Word had many things to say about remembering the poor and needy.

It isn't enough to think this is a great idea. We must accept a personal obligation to make this occasion a success by supporting the sale and actively participating in it.

The Sertoma Club has made excellent plans and has outlined a way which makes it possible for all of us to help either by donating valuable items for sale, or by buying items, or making a contribution, or doing all these things.

I want to express appreciation for the fine job the club has done, and special gratitude to John Knox McGill, Jim Buchanan and Lynn Welborn.

The challenge is before us. What will our response be?

Mrs. Elizabeth Gamble

## Thanks For Support

To The Citizens Of Kings Mountain:

This letter is for the purpose of publicly thanking everyone who helped in making it possible for the Kings Mountain High School Band to travel to central Florida May 4-8.

The band performed well in parade at Disney World in Orlando and received a Bronze Award at the American International Heritage Festival. More important, these young people were on good behaviour at all times, and I am sure that you would have been proud of them.

I would like to thank all who helped in the fund raising. Special thanks are in order to Mrs. Lewis Dellinger and Mrs. David Plonk who co-chaired the fund raising activities. I could fill up this newspaper with the names of all who helped in more ways than one in making this project a success.

It was a wonderful experience for the students, band directors and chaperones, and will provide pleasant memories for years to come.

## Maintain Dignity

Dear Citizens of Kings Mountain.

On Friday, June 3, we will honor our senior class with their graduation exercises. This very special event will be held in John Gamble Stadium, weather permitting, so that we can accommodate everyone who wishes to attend.

Please help us maintain the dignity of this event by showing proper respect to all graduates during the entire exercise. This is not an athletic event, and loud remarks or applause from the audience during the exercise are very much out of place. Our seniors have worked hard and are certainly deserving of a dignified graduation ceremony.

In keeping with this desire to have a dignified evening we are closing the tennis courts and all athletic fields on campus from 7:30 p.m. until 10 p.m.

I am sure that we can count on the cooperation of our citizens in these matters. Let me thank you in advance on behalf of our school and especially our senior class for your help. Let us all join together to make next Friday a special night.

Thank you.

Sincerely Yours,  
ROBERT R. McRAE, JR., PRINCIPAL  
KINGS MOUNTAIN SENIOR HIGH SCHOOL

# WHY SO MANY PEOPLE FEEL AT HOME WITH A FIRSTRATE MORTGAGE.

We've done it for lots of people.

And First Union can show you the way to afford a home, too.

A FirstRate Mortgage.

It's the one that gives you all the advantages of an adjustable mortgage loan. For instance, there's no need to go to the trouble and expense of refinancing if interest rates drop. Because the interest rate for your loan is automatically adjusted quarterly.

And a FirstRate Mortgage from First Union gives you other advantages, too. Like monthly payments fixed for 5-year periods. And a limit on the percentage your payment can be adjusted.\* So it's easy to plan a home-buying budget.

Stop by your nearest First Union office and take a closer look at a FirstRate Mortgage. It's opened the door for a lot of people.

And it can do the same for you.

FIRST UNION  
Take a closer look.™

\*The limit on payment adjustment is removed for the last 10 years of the loan term.

"Gov. James B. Hunt Jr., a Democrat who many think will run against Helms next year, is aware of black voter potential. He met with Jackson last week and endorsed legislation supported by the PUSH leader that would permit high school librarians and principals to register voters."
