

Bruce Boyles Honored By Mooresville Jaycees

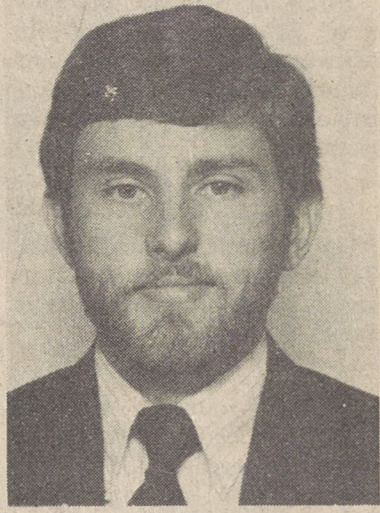

Bruce W. Boyles Jr., Kings Mountain native, was awarded outside-the-club tribute by the Mooresville Jaycees at their annual awards banquet at Vail Commons on the campus of Davidson College recently. He was recognized as outstanding educator.

Boyles, son of Mr. and Mrs. Willard Boyles, is a 1976 graduate of Kings Mountain High School and a 1980 graduate of Mars Hill College with a bachelor's degree in Music Education. He was 1979-80 Presser Music Education Scholar, served as MHS Band President, President of the Christian Movement, and has done graduate study at UNC-Chapel Hill.

Boyles, band director at Mooresville Senior High School since 1980, has increased its membership from 65 to 115. The band has participated in numerous marching contests across North Carolina and has gained excellent and superior ratings at all.

The High School Symphonic Band, under his direction, received a superior rating in the 1983 State Contest for the first time in over 15 years of participation.

While at Mooresville, Boyles

has organized a popular Jazz Ensemble and increased the student enrollment in the band program to over 325. He recently directed the Mooresville Band at Disney World and the Florida Heritage Festival, where the Kings Mountain High School band also participated.

He is active in Mooresville First Baptist Church, assists with music, is on the pastor and minister of education Search Committee, and is a Deacon.

The award is presented annually by the Jaycees to the outstanding educator in the Mooresville-South Iredell area.

Grover Gets Grant

The town of Grover has been notified from the Farmers Home Administration that it will receive a \$500,000 grant to be applied toward the over \$1 million cost of a town sewer system.

Grover, which has been trying to come up with the necessary funds for the sewer system for over 20 years, already has enough promises of grants and loans to cover the remaining cost.

Mayor Bill McCarter received word of the grant approval last week from the offices of Congressman James T. Broyhill and Senator John East.

The town will now schedule a

public hearing to explain the financing and cost to citizens. A bond referendum would then be held to determine if Grover citizens will accept the cost of the system.

If approved, McCarter said construction would begin in the fall.

Many Grover residents have been plagued by sewage backup from their septic tanks.

Grover plans to construct several pumping stations which would carry sewage to the Pilot Creek Waste Treatment Plant in Kings Mountain. The two towns approved an informal agreement several years ago.

FRAN PATTERSON

KM Woman Wins Contest

Fran Carroll Patterson of 901 Southwood Drive, Kings Mountain, was first place winner in the Amateur Styling Contest at Cameo Beauty College in Gastonia recently.

She received a full scholarship to the college. Classes begin July 19.

Mrs. Patterson's model was Mrs. Hazel Carroll.

Completes Training

ASHEVILLE, NC Staff Sergeant E6 David L. Earls of Blacksburg, S.C. completed the Advanced Noncommissioned Officers Course conducted by

the Office of the Adjutant General and the 328th US Army Reserve School at the North Carolina Military Academy, Asheville, NC.

The course consisted of five weekends of training in many areas, such as, Personnel Management, Radio-Telephone Procedures, Land Navigation, Training to Lead, and Issuing Platoon Orders.

SSG Earls is a member of Company B (-), 505th Engineer Battalion of the North Carolina Army National Guard in Kings Mountain.

SSG Earls and his wife, Myrtle, have three children, Heli, Catherine and TILesa. They reside in Blacksburg, South Carolina.

SSG Earls is employed by Spartan Security in Gaffney, South Carolina.
