ABC Absolutely Beyond Control

We are hearing some citizens in Kings Mountain say they favor bringing alcoholic beverage sales to our town because it gives "legal control". Don't be misled by all this talk about "control".

WILL IT CONTROL...

The number of people driving under the influence?"

WILL IT CONTROL...

The number of alcohol related deaths and injuries on our highways?

WILL IT CONTROL...

The number of people killed by alcohol related diseases?

WILL IT CONTROL...

The number of homes broken up by the abuse of alcohol?

WILL IT CONTROL...

The number of alcohol related cases of child abuse?

WILL IT CONTROL...

The grief and sorrow of families suffering from the ill-effects of alcohol?

THINK ABOUT IT!

Our only way to control the tragedies of alcoholic abuse is to vote against the sale of alcoholic beverages in Kings Mountain On July 19th.
