## Harbisons Visit Son David In Korea

A tour of one of the world's oldest civilizations and a chance to visit with family now stationed on the Korean Peninsula combined to make an ideal vacation for Kings Mountain family who took part in the Reunion in Korea program, sponsored by the Korea National Tourism Corporation.

Mr. and Mrs. Yates Harbison joined their son, 1st Lt. David A. Harbison, who is a member of the 1st Battalion, 31st Infantry Regiment stationed at Camp Liberty Bell near the Korean demilitarized zone, for a five-day

visit in the Republic of Korea (ROK). They were welcomed by top United States Forces in Korea (USFK) officials who briefed the group on the U.S. commitment of the ROK and the threat facing peace and security in the area.

Reunion in Korea was established in recognition of the centennial of diplomatic relations between the U.S. and the ROK. It demonstrates the Republic's appreciation of American contributions to security on the Korean peninsula by enabling family members of

USFK and Department of Defense civilian personnel to visit Korea at a substantial discount. Although tour costs vary according to departure and return points, the entire trip, which includes round-trip air fare, hotel accommodations, all meals and tours, is priced, in most cases, less than a standard one-way fare to Korea.

USFK representatives accompanied the Reunion group throughout the program, which included tours of the United Nations Command Joint Security Area at Panmunjom, the ancient Changduk Palace in Seoul, Bulksa Temple and the National Museum in Kyong Ju, the ancient capital of Korea's Shilla Dynasty.

Tour members also had the opportunity to visit the Korean Folk Village in Suwon, a reproduction of a traditional Korean village where villagers practice the ancient crafts and demonstrate the old ways of life. In contrast, they were given a tour of the massive Hyundai shipyard in Ulsan where modern craftsmen work in heavy industry.

Throughout the visit participants stayed at first class hotels and were given the opportunity to dine on traditional Korean foods and be entertained by Korean musicians and dancers.

## Seminary Lectureship To Honor Frank Pethel

A \$200,000 campaign to establish a lectureship at Union Theological Seminary in Richmond, Va., has been established by the First Presbyterian Church in Greensboro in memory of James Franklin Pethel, who died recently after serving as the church's organist and choirmaster for 23 years.

He was former organist at First Presbyterian Church in Kings Mountain.

Donations may be mailed to the Frank Pethel Lectureship in Church Music Liturgy and Worship, in care of First Presbyterian Church, 617 North Elm Street, Greensboro, N.C.

Pethel, who directed four choirs and the Greensboro church, died recently after a bout with cancer. He learned of the lectureship just a few days before his death.

"His face just lit up," said William D. Snider, a church officer whose four children were taught by Pethel. "He couldn't

have been happier, and the timing was appropriate. This lectureship will honor his contributions to the Lord's work."

In addition to his work with the church, Pethel was also active in many community music programs. He was on the Board of Friends of the UNC-G Library and was one of the reactivators of the American Guild of Organists. He was a Korean War veteran.

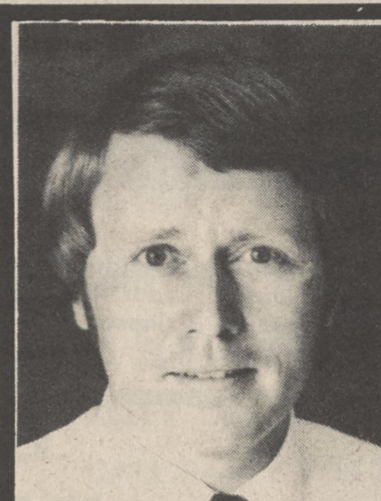

Pethel was a graduate of the School of Sacred Music at the Union Seminary in New York. He was a native of Concord.

## RONNIE FRANKS Seeking Office For First Time COMMISSIONER DISTRICT 3

I have been employed at First Federal Savings & Loan of Kings Mountain for the past nine years. With my background in business administration, I believe my service would be an asset for better city government. I am active in community activities and want to see good government in our city.

If it is the desire of the majority of the citizens of Kings Mountain, I would look favorably on a city manager form of government.

Because of my daily work schedule and my first time seeking office, I have not been able to get acquainted with many of you.

I would appreciate your vote and I will help to develop a better city government.
