

## KM Woman Is Honored

BELMONT—Belmont Abbey College held an Outstanding Community Citizen Night as a part of Textile Week Friday, October 28.

The honoring of the exceptional textile employees was held in the Oak Room and was preceded by a reception.

"This is one of my favorite events at Belmont Abbey College because it is truly a pleasure to honor people who have a genuine commitment to the community," said College President Dr. John R. Dempsey.

Honored were Frances Green from Rauch Industries, Sarah Nichols from Beltex Corporation, Robert Wentz of Firestone, Bill Poole from Pharr Yarns, Charlie Ward of the R.L. Stowe Mills, Karen Farmer, an employee at Stanley Knitwear, Clara Rhea from Clevmont Mills, James Bennett from Acme Spinning Company, Nancy Fuller who works at American & Efrid Mills, Mehitable White of Riegel Textile Corporation, James Hill of Ti-Caro, Robert McMahan from Carolina Mills and Mike Hall of Spray Cotton Mills.

Guilford Militia to be at KM Park....

## Militia To Muster At KM Military Park

The Kings Mountain National Military Park will be the site of a Revolutionary War encampment on Saturday, November 12 and Sunday, November 13. The Guilford Militia, a group dedicated to bringing a part of history and heritage to the general public, will recreate the activities of an 18th century muster.

As with today's National Guard, civilian males were mustered several times a year to be trained as a military unit. This training was necessary because the militia units needed discipline and a standard drill before joining the Continental forces as they did in such battles as Cowpens and Guilford Courthouse. However in most cases these rugged individuals were at their best when skirmishing on their own as was the case at the Battle of Kings Mountain, where a group of Patriot militia defeated a better trained Loyalist force under Major Patrick Ferguson.

The encampment will not only feature military drilling with musket and rifle demonstrations, but will also offer several camp life activities which include: camp cooking, basket weaving, bullet and button molding, candle molding, Revolutionary medicine, and other 18th century crafts. Saturday's events will begin at 11:00 a.m. and end at 5:00 p.m. Sunday's activities will begin at 9:00 a.m. and last until 4:30 p.m. There is no charge for the event. The public is invited and encouraged to attend.

### Registration Is Scheduled At Gaston
