

**BREAKOUT** - Movie maker Earl Owensby of Shelby runs down the Southern Railway tracks in downtown Kings Mountain while filming a scene for "Chain Gang", an EO Productions film to be released in April of next year. Owensby plays a prisoner who breaks out of jail and tries to outrun the law in a long car and foot chase.

### 3-D Movie Scenes Shot Here Thursday

The nation's biggest movie producer this side of Hollywood brought his troops to Kings Mountain Thursday to shoot some scenes.

Earl Owensby of Shelby is in the process of filming "Chain Gang", a movie starring Owensby as an escaped convict. It is a 3-D movie.

Scenes were shot of Owensby running down the Southern Railway tracks which divide downtown Kings Mountain. According to script writer Tom McIntyre, former editor of the Kings Mountain Herald, after Owensby's escape from prison, there is a long car and truck chase and then the foot chase along the tracks.

Other scenes were shot recently in Myrtle Beach, S.C. The movie, Owensby's 26th, is

scheduled for showing in April of next year.

One of the stars of the movie is former cowboy star, Lash LaRue, who plays a prison guard who uses his whip to keep prisoners on their best behavior.

Another star would have been Brother Dave Gardner, the well-known Southern humorist who was to play the prison warden. But Brother Dave collapsed of a heart attack and died recently when the EO Corporation was shooting some scenes in Myrtle Beach.

Owensby began shooting the movie on September 12 and there will be about six more weeks of shooting before editing begins.

The movie carries a budget of \$3 million.

### New Grad Requirements At KMSHS

State high school graduation requirements have changed this year to incorporate the North Carolina Scholars Program.

Beginning with the 1983-84 school year, students who complete the State Board of Education requirements for a well-balanced, challenging high school program will be named North Carolina Scholars and receive special recognition.

In order to become a Scholar, students must have an overall four-year grade average of B and complete the course requirements as outlined by Plan A or Plan B. Plan A is more general while Plan B allows a concentration in one or more program areas.

Students who qualify for this special recognition will be designated by the State Board of Education as North Carolina Scholars, receive a seal of recognition attached to their diplomas, may receive special recognition at graduation exercises and other community events, may be considered for scholarships from the local and state business/industrial community, and may use this special recognition in applying to post-secondary institutions.

Graduation requirements were changed in 1979 from 16 to 18 units of credit. In 1983 they were changed from 18 units to 20 units of course credit needed for graduation. A Scholar must complete 22 units.

This program is designed to challenge students beyond the required units.

#### REVIVAL

Revival services will be held November 9-13 at Eastside Baptist Church on York Road, Kings Mountain. Rev. Dale Thornburg, pastor of the church, will bring the messages at 7 p.m. nightly. Special music will be presented. The public is invited.
