**VET DAY CEREMONY** - Mayor John Henry Moss speaks to the small crowd which attended Veterans's Day services Friday morning at Mountain Rest Cemetery. Members of the American Legion and VFW posts placed a wreath at the cemetery in memory of deceased veterans.

## Vet Day Service Held

A special wreath laying ceremony was held in honor of Kings Mountain's Veterans on Friday.

Spectators and participants were welcomed to the event by Lib Stewart, Incoming National

Vice President of the American Legion Auxiliary. Mrs. Ruth Ruff, President of American Legion Unit 155 Auxiliary led the service with the Pledge of Allegiance. Opening prayer was held by Frank Hamrick,

Chaplain of the American Legion. Senator Ollie Harris and Mayor John Moss both made personal comments about Veterans and Veterans Day in spite of the windy interference on the microphones. A closing prayer was then made by the Chaplain of the VFW Post 9811.

The Memorial Wreath was then placed in Veterans Park of Mountain Rest Cemetery by Mayor Moss, the Commanders of the American Legion and VFW, and the American Legion Auxiliary President. Miss Carolyn Smith then played taps to close the service as all participants saluted the veterans.

REVEREND FRANK PITTMAN

## Pittman To Head New Baptist Mission In Kings Mountain

Reverend Frank Pittman will head the Emanuel Independent Baptist Mission located at 900 Battleground Road.

The Mission hopes to establish a church in Kings Mountain once they get enough membership. The Emanuel Independent Mission is an independent support group who does not belong to any Baptist Associations.

Reverend Pittman stated that they stand on the basic Baptist Doctrine but are independent in

the sense that they can give directly to causes they believe in as opposed to giving their money to organizations and not know where their money goes.

Presently Mission Members meet at 3:00 p.m. on Sunday and at 7 p.m. on Thursday to avoid conflict with local church services. Once they are established as a church they hope to set up regular church hours.

All interested persons are invited to attend.

## Singspiration Service Set

David Baptist Church will be having their regular Quarterly Singspiration Services, November 20th, at 7:30 P.M. The David Church Choir will present a Thanksgiving Mini-Musical, "Bring In The Harvest", by Gary Lanier.

This is a musical designed to

be part of the Thanksgiving service. The emphasis is:

First; Thankful to be in a land that yields a good harvest. A land which God has provided but must be worked by man.

Second; Concern about the

spiritual harvest. A harvest that is made up of people who do not know God in a personal way. As God's children, we are the laborers and are responsible for cultivating this large harvest in order that the reaping may be in abundance. "The harvest is plentiful but the laborers are few."

#### Medicine is more than you think

What are medicines? They are not just what the doctor prescribes and your pharmacist dispenses. They include the vitamins you buy, the calcium, the aspirin, the laxatives, and many other products you can buy without a prescription.

Medicines are also the liquid diets, the coffee and tea, the wine, the beer. Alcohol is sometimes a problem because it adversely interacts with many medicines, making us sleepy or drowsy, or robbing us of vitamins.

Let a concerned pharmacist settle your health questions. May I help? I'd count it a privilege.
