Ruey's Recipes Published

By GAIL SHYTHE

When Ruey Thorneburg became a widow nearly 20 years ago, she didn't quite know how she was going to fill the time.

She eventually found herself collecting recipes, doing yard work and sewing for the public.

Now all those years of collecting recipes is going to pay off because some of Ruey's recipes have been published in a book entitled, "Treasured Pound Cake Recipes" by Ruey M. Thorneburg. It will come out just after Thanksgiving just in time for the holidays.

"I chose this particular title because these recipes are my treasures. The recipes are really good and each recipe is different. Some are cold oven, chocolate, coconut, and sour cream cakes," Ruey explained.

"I didn't know of a cookbook with just pound cake recipes. So I put together a collection of 140 recipes for pound cakes that

her out of the car. The victim was unable to make any identification except that he was wearing a ski mask and blue coat.

Just two days prior to this incident, a young junior high student on her way home was being followed by a white male driving a silver Toyota or Volkswagen. She became frightened and went to a friend's house and called her

father and the police.

Ethel Guiton of 20 Bennett Drive was the victim of breaking, entering and larceny as someone broke in her house and stole \$45 worth of food items from her freezer on Friday.

United Fund Drive Exceeds \$71,000 Goal

The United Way Campaign exceeded their goal and will celebrate it at a "Victory Dinner" to be held Monday night.

This year's drive was aimed at raising \$71,000 which was exceeded by almost \$1,500. Four of the nine divisions came up with over 100 percent of their goals which included the Postal Division, 111 percent; Hospital Division, 214 percent; Industrial Division, 102 percent; and School Division, 123 percent.

"I'm delighted we reached our goal," stated Bill Davis, Campaign President. "We will ex-

ceed it even more because some contributions are yet to be sent in. We had some folks who really worked hard and I want to commend those nine who were responsible."

Michael Brown will be the guest speaker at the Victory Dinner at 7 p.m. Monday. Michael Brown is the self proclaimed pied piper of public speakers. Last year he spoke to over 200,000 people. His message is about freedom, self reliance, and individual ability to make the impossible dream come true. "He's a very funny man with a very serious message," Bill Davis commented.
