Success Is Soul Winning

In the beginning of 1984, God gave me a series to preach and teach to the Foursquare Gospel Church. The series deals with how to have and how to be a successful church for the glory of God. One of the ways to accomplish this success is through effective soul winning.

The first century church was so ardent in its evangelistic fervor that the Good News of heaven's love was sounded forth everywhere. The success story of the New Testament Christianity never loses its appeal to the loyal child of God. But, unless members of the Lord's family today recapture the zeal of the early saints, we shall not see the tremendous results of the apostolic era. Someone has said it this way: He who lives to himself and dies to himself - to himself and none beside-lives as though Christ never lived, as though He never died.

Each and every member of the body of Christ could rightly argue that an effective program for soul winning must come from the leadership of the church. On the other hand, the most effective soul winning "technique" is the daily consecration of sincere Christians. It is impossible to argue with a demonstration. Many have been influenced, many are being influenced, and many can still be influenced by the way of holiness through the impact of a godly life. A life dedicated to the Lord Jesus. We could cause our neighbors to be much more impressed with our message if they constantly would see Christ in our actions. Do our closest observers (co-workers, school mates, neighbors, family) recognize that we have "been with Jesus"? In Galatians 2:20, the Apostle Paul wrote it this way: "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave Himself for me". His new life in Jesus showed.

The opposite of purity of life is a reality, also. I hear it said so many times, "Nothing but a bunch of hypocrites go to that church" or "if they are saved and live as they do, I have nothing to worry about". God forbid that we in the body of Christ do so much damage to our Lord and His beloved ministry.

Purity of life was one of the most outstanding attributes of the New Testament church. Believing ardently, the early Christians went everywhere spreading the Good News of Jesus' love.

With all the communication networks, thousands of social and spiritual reforms being performed and many many Christian organizations in function, why have we not won the world for our blessed

Pastor: Oscar Stalcup, Jr.
Foursquare Gospel Church

Lord? This question can not be answered fully in the article; on the other hand, I am persuaded that much more could be done to influence our world if we of the household of God - had a deeper love of God and a deeper love of fellow men.

Did you know that there is someone you could bring to the Master if you really cared enough? Souls are perishing in the anguish of sin while we waste precious time and talent on lesser things. We can reach souls and see souls saved if: we live a life after the example of the Lord Jesus; care about the spiritual needs of others, pray for an opportunity to get involved and when it comes take advantage of it; support local and world missionary efforts; be faithful to your local church; etc.

Think about it! You could help "to save a soul from death and hide a multitude of sins"! That is effective Soul Winning.

"Farming can be complicated these days. Same goes for income taxes. So I go to H&R Block."

"With farming, one wrong step and it could cost you down the road. The same is true with tax preparation, and that's why I always go to H&R Block. My preparer is trained to know all the special problems that farmers face. And that saves me money. So I'll do the farm work while Block does the tax work."
