50 Years**

Mr. and Mrs. James I. Cable celebrated their golden wedding day on April 27th. A reception was held April 15th at the Kings Mountain Depot Center.

Hosts were the couple's children, Mrs. Barbara Hawkins of Kings Mountain, Betty Lewis, Glenn Cable and Phyllis Gunning, all of Gastonia.

The refreshment table was highlighted with a golden candelabrum filled with yellow daisies, mums and baby's breath. The three tiered anniversary cake was decorated in yellow and white and topped with the numeral 50.

Punch was served from a silver punch bowl with party pickups being served from silver appointments.

Assisting in serving were Mrs. Mable Ross, sister of Mrs. Cable, and Jama Hawkins, granddaughter of the couple. Mrs. Jean Cable poured punch.

Ann Hawkins and Stacie Hawkins, granddaughters of the couple, opened and displayed gifts. An orchid arrangement accented the gift table.

Friends and relatives called between 2 and 4 p.m.

Two Injured In Wrecks

Two pedestrians were injured in separate accidents this week,

Kings Mountain Police Department reported.

Beathrie Studds, of 207 McGill Court, apparently stepped off the curb and into the path of a car operated by Kenneth Davis, 803 Woodside Dr., on Cleveland Avenue. Studds was transported by KMPD to Kings Mountain Hospital or treatment.

Lisa Rabb, of route 5, was treated for injuries when she was injured in the parking lot of the picnic area at Moss Lake last Sunday. Police said the driver of the car was identified as Lisa Sipes, of Route 5. Mrs. Rabb apparently fell from the car hood, said police.

Lyman Calloway, of Charlotte, operating a 18 wheeler for Winn Dixie, was trying to take a shortcut through a local Shell Station lot when his vehicle ripped the electrical wiring and tore down the meter box. Damages to city property totaled \$300.

A parked car owned by Gloria Hancock of Route 2, China Grove, was struck by a 1974 Plymouth operated by Iris Dover of East Gold Street on Cherry Street on April 29th.

Leonard Miller, of route 1, Gastonia, operating a 1978 GMC, struck a 1979 Chevrolet operated by Nelson Jerry Morris of route 6. Damages totaled \$375.

KEEPING CLEAN
The advent of self-service gas stations needn't mean the idea of a clean windshield has to go out the window.

Many drivers are doing a professional windshield cleaning job themselves with the help of a professional, lint-free towel. Sold in 70-count dispenser packages for under \$2 in auto supply and hardware stores, these Wyp•shields are part of the new Handy Beaver line from Scott.

They can help keep your car on the road to cleanliness and convenience.

SPEAKS OUT ON**

REPRESENTATION

Both the at-large method of electing a county commissioner and the all-district system have distinct disadvantages. The at-large system has resulted in denying representation on the commission to a large section of the county. The district system would deny a second person from any area the privilege of service. I propose revising the commission to provide for four commissioners elected in districts in one election, then three commissioners elected at-large two years later. If elected on a district basis, I would continue to serve the needs of the county as a whole.
