Board Denies Request

From Page 2-A

of a mobile home.

City Attorney George Thomasson told the board the Falls do not have adequate property space, 20,000 square feet, to meet the city's other requirements and rezoning would be in violation of city codes. Their 65 x 123 foot property is now zoned residential 8. Thomasson said the codes specify the minimum size lot should not be less than 20,000 feet and average width of 100 feet.

Mr. Falls says there is no objection from neighbors to the rezoning.

Members of the city's planning and zoning board voted recently to deny the request and offered the suggestion that the Falls appeal to the Board of Adjustment of which D.E. Tate is chairman.

In other business, the board adopted a resolution of appreciation to members of the city cemetery committee and authorized advertising for bids for one street sweeper for the Street Department. The privilege license schedule was also adopted and is the same schedule that has applied this year.

Following a brief recess for an executive session, Mayor John Moss announced that the board had voted unanimously to "request the Cleveland County district attorney to assist them in a civil action with the purpose of enforcing the general statutes of N.C." He did not elaborate. The city attorney met with the commissioners in closed session.

MEETING

The Executive Committee of Cleveland County Republicans met Thursday evening at 5:30 at Frank Hannah's office with eight members attending.

Special guest was Steve Sisk, new chairman of the Young Republican Club in Cleveland County.
